This document contains information related to the granting of a permit to construct a single family residence on City Park Road in Travis County, Texas. The permit is for the construction of a single family residence on 0.75 acres of the 10.13 acres on City Park Road in Austin, Travis County, Texas. This action will occur as a result of the construction of a habitat for the golden-cheeked warbler (Dendroica chrysoparia) during the construction period of 5 years. The permit, which is for a single family residence, is assigned permit number TE-012423-0. The request for a permit was made by the Applicants, who have applied to the U.S. Fish and Wildlife Service (Service) for an incidental take permit pursuant to Section 10(a) of the Endangered Species Act (Act). The Applicants have been assigned permit number TE-012423-0 when submitting the application. Written data or comments concerning the application and EA/HCPs should be submitted to the Field Supervisor, Ecological Services Field Office, Austin, Texas at the above address. Written comments on the application should be received on or before August 13, 1999.
