mammography facilities will review the medical report of each patient's examination and collect from it the necessary information.

Section 900.12(c)(2) requires that each mammography facility shall send each patient a summary of the mammography report written in lay terms within 30 days of the mammographic examination. If assessments are “Suspicious” or “Highly suggestive of malignancy,” § 900.12(c)(2) requires that the facility shall make reasonable attempts to ensure that the results are communicated to the patient as soon as possible.

In the Federal Register of June 17, 1999, FDA published a direct final rule (64 FR 32404) and a companion proposed rule (64 FR 32443). FDA invited interested persons to comment on the direct final rule and companion proposed rule by August 31, 1999. FDA received no comments.
