Migratory Bird Hunting; Late Seasons and Bag and Possession Limits for Certain Migratory Game Birds
AGENCY: Fish and Wildlife Service, Interior.
ACTION: Final rule; correction.
SUMMARY: The U.S. Fish and Wildlife Service (hereinafter Service or we) published a final rule prescribing hunting seasons, hours, areas, and daily bag and possession limits for general waterfowl seasons, certain other migratory bird seasons, and those early seasons for which States previously deferred selection. The rule contained errors in the entries for California, Kansas, Mississippi, New Mexico, and Washington, which are discussed briefly below and corrected by this notice.
We received public comment on the proposed rules for the seasons and limits contemplated herein. We addressed these comments in the August 27, 1999, (64 FR 47072) and September 27, 1999, (64 FR 52124) Federal Register. The corrections are typographical in nature and involve no change in substance in the contents of the prior proposed and final rules.
