Proposed Project

Tobacco Regulation for Substance Abuse Prevention and Treatment—45 CFR Part 96 (OMB No. 0930–0165; extension, no change)—This final rule provides guidance to States regarding compliance with section 1926 of the Public Health Service Act related to sale and distribution of tobacco to minors. The final rule implements section 1926 by specifying the content of the State’s annual report on the provisions of the rule and application for block grant funds. The reporting burden shown below represents the average total hours to assemble, format and produce the information for the block grant provision on minors’ access to tobacco, in accordance with the requirements of 45 CFR Part 96. These burden hours will be counted towards the total burden for the annual Substance Abuse Prevention and Treatment Block Grant Application Format (OMB No. 0930–0080) for which separate approval is obtained.
