maintained under the management program of the Republic of South Africa for the purpose of enhancement of the survival of the species.

PRT–061767
Applicant: Drexel University, Philadelphia, PA.

The applicant requests issuance of a permit for the import of multiple shipments of biological samples from wild specimens of leatherback sea turtles, Dermochelys coriacea, obtained by the Dalhousie University, Halifax, Canada, from stranded specimens for the purpose of scientific research. This notification covers activities conducted by the applicant over a period of 5 years.

The U.S. Fish and Wildlife Service has information collection approval from OMB through March 31, 2004, OMB Control Number 1018–0093. Federal Agencies may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a current valid OMB control number.

Monica Farris,
Senior Permit Biologist, Branch of Permits, Division of Management Authority.

SUPPLEMENTARY INFORMATION:

Endangered Species

The public is invited to comment on the following application(s) for a permit to conduct certain activities with endangered species. This notice is provided pursuant to section 10(c) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531, et seq.). Written data, comments, or requests for copies of these complete applications should be submitted to the Director (address above).

PRT–062165
Applicant: James G. Zimmerly, Boonsboro, MD.

The applicant requests a permit to import the sport-hunted trophy of one male bontebok (Damaliscus pygargus dorcas) culled from a captive herd maintained under the management program of the Republic of South Africa for the purpose of enhancement of the survival of the species.

PRT–061335
Applicant: Arizona State University, Tempe, AZ.

The applicant requests a permit to export and re-import non-living museum specimens of endangered and threatened species of plants previously accessioned into the permittee’s collection for scientific research. This notification covers activities conducted by the applicant for a five-year period.

Marine Mammals

The public is invited to comment on the following application for a permit to conduct certain activities with marine mammals. The application was submitted to satisfy requirements of the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 et seq.) and the regulations governing marine mammals (50 CFR part 18). Written data, comments, or requests for copies of the complete application or requests for a public hearing on this application should be submitted to the Director (address above). Anyone requesting a hearing should give specific reasons why a hearing would be appropriate. The holding of such a hearing is at the discretion of the Director.

Dated: September 6, 2002.

Michael S. Moore,
Senior Permit Biologist, Branch of Permits, Division of Management Authority.
