maintained under the management program of the Republic of South Africa, for the purpose of enhancement of the survival of the species.

Applicant: Kenneth R. Sardegna, Falls Church, VA, PRT–135894

The applicant requests a permit to import the sport-hunted trophy of one male bontebok (Damaliscus pygargus pygargus) culled from a captive herd maintained under the management program of the Republic of South Africa, for the purpose of enhancement of the survival of the species.

Applicant: James C. Bunn, Mount Gilead, NC, PRT–135894

The applicant requests a permit to import the sport-hunted trophy of one male bontebok (Damaliscus pygargus pygargus) culled from a captive herd maintained under the management program of the Republic of South Africa, for the purpose of enhancement of the survival of the species.

Marine Mammals

The public is invited to comment on the following application for a permit to conduct certain activities with marine mammals. The application was submitted to satisfy requirements of the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 et seq.), and the regulations governing marine mammals (50 CFR Part 18). Written data, comments, or requests for copies of the complete applications or requests for a public hearing on these applications should be submitted to the Director (address above). Anyone requesting a hearing should give specific reasons why a hearing would be appropriate. The holding of such a hearing is at the discretion of the Director.

Applicant: Philip S. Majerus, Fond Du Lac, WI, PRT–137715

The applicant requests a permit to import a polar bear (Ursus maritimus) sport hunted from the Southern Beauford Sea polar bear population in Canada for personal, noncommercial use.

Dated: October 20, 2006.

Monica Farris,
Senior Permit Biologist, Branch of Permits, Division of Management Authority.

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Notice of Availability of a Final Environmental Impact Statement for the Orange County Southern Subregion Natural Community Conservation Plan/Habitat Conservation Plan, Orange County, CA

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability.

SUMMARY: This notice announces the availability of the final Environmental Impact Statement (EIS) prepared pursuant to the National Environmental Policy Act (NEPA) for the Orange County Southern Subregion Natural Community Conservation Plan/Habitat Conservation Plan (Plan), for public review and comment. The Fish and Wildlife Service (Service) is considering the proposed action of issuing three 75-year incidental take permits, pursuant to section 10(a)(1)(B) of the Federal Endangered Species Act of 1973, as amended (ESA), for 32 species in response to receipt of applications from the County of Orange (County), Rancho Mission Viejo, LLC (RMV) and Santa
The proposed permits would authorize take of individual members of animal species listed under the ESA. The permits are needed because take of species could occur during proposed urban development activities and associated infrastructure on Rancho Mission Viejo, expansion of the Prima Deshecha Landfill, the extension of Avenida La Pata, maintenance and operation of Santa Margarita Water District facilities, and reserve management activities within an approximately 132,000-acre Plan Area in southern Orange County, California.

The Orange County Southern Subregion Habitat Conservation Plan also serves as a proposed Natural Community Conservation Plan under the State of California’s Natural Community Conservation Planning Act (NCCPA). The EIS analyzes the impacts of the Plan/NCCP and a Master Streambed Alteration Agreement which involves action by the County of Orange and the California Department of Fish and Game. For that reason, the EIS also serves as an Environmental Impact Report (EIR) to satisfy requirements of the California Environmental Quality Act (CEQA) in addition to those of the National Environmental Policy Act (NEPA). Comments regarding the Final EIS/EIR may be submitted to the Service pursuant to NEPA during a 30-day waiting period [See DATES].

DATES: Written comments should be received on or before December 13, 2006.

ADDRESSES: Comments should be sent to Mr. Jim Bartel, Field Supervisor, U.S. Fish and Wildlife Service, Carlsbad Fish and Wildlife Office, 6010 Hidden Valley Road, Carlsbad, California 92011. You may also submit comments by facsimile to 760–918–0638.

FOR FURTHER INFORMATION CONTACT: Ms. Karen Goebel, Assistant Field Supervisor, 6010 Hidden Valley Road, Carlsbad, California 92011, 760–431–9440.

SUPPLEMENTARY INFORMATION:

Availability of Documents
Copies of the Plan and Appendices A–X, the Map Book, the Implementation Agreement, and the Final EIS/EIR are available for public review, by appointment, during regular business hours, at the Carlsbad Fish and Wildlife Office (see FOR FURTHER INFORMATION CONTACT). Copies are also available for viewing in select local southern Orange County public libraries (listed below), the Orange County Resources and Development Management Department, and at the following Web site: http://www.ocplanning.net.

1. Dana Point Library—Reference Desk, 33841 Niguel Road, Laguna Niguel, California 92629;
2. Laguna Hills Library—Reference Desk, 25555 Alicia Parkway, Laguna Hills, California 92653;
3. Laguna Niguel Library—Reference Desk, 30341 Crown Valley Parkway, Laguna Niguel, California 92677;
4. Mission Viejo Library—Reference Desk, 100 Civic Center, Mission Viejo, California 92691;
5. Rancho Santa Margarita Library—Reference Desk, 30902 La Promesa, Rancho Santa Margarita, California 92688;
7. San Juan Capistrano Library—Reference Desk, 31495 El Camino Real, San Juan Capistrano, California 92675;
8. Orange County Resources & Development Management Department—Tim Neely, 300 North Flower Street, Santa Ana, California 92702.

Background Information
Section 9 of the Federal ESA of 1973, as amended, and Federal regulations prohibit the take of fish and wildlife species listed as endangered or threatened (16 U.S.C. 1538). The term “take” means to harass, harm, pursue, hunt, shoot, wound, kill, trap, capture, or collect, or to attempt to engage in any such conduct (16 U.S.C. 1532). Harm includes significant habitat modification or degradation that actually kills or injures listed wildlife by significantly impairing essential behavioral patterns, including breeding, feeding, and sheltering (50 CFR 17.3). Under limited circumstances, the Service may issue permits to authorize incidental take of listed fish or wildlife; i.e., take that is incidental to, and not the purpose of, otherwise lawful activity. Regulations governing incidental take permits for threatened and endangered species are found in 50 CFR 17.32(b) and 17.22(b), respectively.

Although take of listed plant species is not prohibited under the Federal ESA and therefore cannot be authorized under an incidental take permit, plant species are proposed to be included on the permits in recognition of the conservation benefits provided to them under the Plan. All species included on an incidental take permit would receive assurances under the Service’s “No Surprises” regulation (50 CFR 17.22(b)(5) and 17.32(b)(5)).

The Service has received applications for incidental take permits supported, in part, by the Plan. The applications were prepared and submitted by the three Applicants to satisfy the application requirements for a section 10(a)(1)(B) permit under the Federal ESA, of 1973, as amended, a section 2835 permit under the California Natural Community Conservation Planning Act of 1991 (NCCPA), and a streamed alteration agreement under section 1600 et seq. of the California Fish and Game Code. Thus, the Plan constitutes a Habitat Conservation Plan pursuant to the Federal ESA, and a Natural Community Conservation Plan pursuant to the NCCPA, and also addresses the proposed master streamed alteration agreement pursuant to the California Department of Fish and Game Code.

The Applicants seek 75-year incidental take permits authorizing take incidental to covered activities within a proposed 132,000-acre Plan Area, located entirely in southern Orange County, California. The Plan is one of two large, multiple-jurisdictional habitat planning efforts in Orange County, each of which constitutes a “subregional” plan under the NCCPA.

The applicants have requested permits for 32 species, seven of which are currently listed as threatened or endangered under the Federal ESA. Of these 32 species, the Applicants request incidental take permits for 25 animal species and assurances for seven plant species, all of which are collectively referred to as “Covered Species” by the Plan. Of the seven plant species, one is listed as threatened [Thread-leaved Brodiaea (Brodiaea filifolia)] and six are unlisted [California Scrub Oak (Quercus berberidifolia), Chaparral Beargrass (Nolina cismontana), Coast Live Oak (Quercus agrifolia), Coulter’s Saltbush (Atriplex coulteri), Many-stemmed Dudleya (Dudleya multicaulis), and Southern Tarplant (Centromadia parruy var. australis)]. In addition, two invertebrate species, both listed as endangered [Riverside Fairy Shrimp (Streptocoelus wootoni) and San Diego Fairy Shrimp (Branchinecta sandiegensis)] are covered; two unlisted fish species, [Arroyo Chub (Gila occlata) and Partially- armored Three-spine Stickleback (Gasterosteus aculeatus microcephalus)]; two amphibian species, one listed as endangered [Arroyo Toad (Bufo californicus)] and one unlisted [Western Spadefoot Toad (Spea hammondii)]; seven unlisted reptile species [California Glossy Snake (Arizona elegans occidentalis), Patch-nosed Snake (Salvadora baxalepis virgultea), Northern Red-diamond Rattlesnake...
Yellow Warbler (Dendroica petechia), Blackbird (Agelaius tricolor), Tricolored Blackbird (Agelaius tricolor), White-tailed Kite (Elanus leucurus), Yellow-breasted Chat (Icteria virens), American Kestrel (Falco sparverius), and Yellow Warbler (Dendroica petechia) also are included as Covered Species. If the proposed Plan is approved and the permits issued, the take authorizations would not require acquisition of reserve habitat and would result in more development in the San Mateo watershed.

National Environmental Policy Act

Proposed permit issuance triggers the need for compliance with NEPA. As stated above, because other Orange County and State-related actions are covered in the Plan, there is also a need for compliance with CEQA. Accordingly, a joint NEPA/CEQA document has been prepared. The Service is the Lead Agency responsible for compliance under NEPA, and Orange County is the Lead Agency with the responsibility for compliance with CEQA. As NEPA lead agency, the Service is providing notice of the availability of the Final EIS/EIR and is making available for public review the responses to comments on the Draft EIS/EIR.

Public Review

The Service invites the public to review the Final Plan, Final EIS/EIR, and Final Implementing Agreement...
during a 30-day waiting period [See DATES]. Any comments received, including names and addresses, will become part of the administrative record and may be made available to the public. Our practice is to make comments, including names, home addresses, home phone numbers, and email addresses of respondents, available for public review. Individual respondents may request that we withhold their names and/or home addresses, etc., but if you wish us to consider withholding this information you must state this prominently at the beginning of your comments. In addition, you must present a rationale for withholding this information. This rationale must demonstrate that disclosure would constitute a clearly unwarranted invasion of privacy. Unsupported assertions will not meet this burden. In the absence of exceptional, documentable circumstances, this information will be released. We will always make submissions from organization or businesses, and from individuals identifying themselves as representatives of or officials of organizations or businesses, available for public inspection in their entirety.

The Service will evaluate the application, associated documents, and comments submitted to them to prepare a Record of Decision. Permit decisions will be made no sooner than 30 days after the publication of the Final EIS/EIR and completion of the Record of Decision.

This notice is provided pursuant to section 10(a) of the Federal ESA and regulations for implementing NEPA, as amended (40 CFR 1506.6). We provide this notice in order to allow the public, agencies, and/or other organizations to review these documents.

Dated: October 26, 2006.

Ken McDermond,
Deputy Manager, California/Nevada Operations Office, Sacramento, California.

BILLING CODE 4310–55–P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[CO–150–07–1010–AL]

Notice of Public Meetings, Southwest Colorado Resource Advisory Council Meetings

AGENCY: Bureau of Land Management.

ACTION: Notice of public meetings.

SUMMARY: In accordance with the Federal Land Policy and Management Act (FLPMA) and the Federal Advisory Committee Act of 1972 (FACA), the U.S. Department of the Interior, Bureau of Land Management (BLM) Southwest Colorado Resource Advisory Council (RAC) will meet as indicated below.

DATES: The Southwest Colorado RAC meetings will be held January 19, 2007; April 20, 2007; July 20, 2007; September 21, 2007; and November 16, 2007.

ADDRESSES: The Southwest Colorado RAC meetings will be held January 19, 2007, at the Canyons of the Ancients National Monument Anasazi Heritage Center, located at 27501 Highway 184, Dolores, CO; April 20, 2007, at the Holiday Inn Express, located at 1391 S. Townsend Avenue, in Montrose, CO; July 20, 2007, at The Grand Lodge, 6 Emmons Loop, Mt. Crested Butte, CO; September 21, 2007, at the Ouray County 4–H Event Center, 22739 Highway 550, in Ridgway, CO; and November 16, 2007, at the Devils Thumb Golf Club, 9000 Devils Thumb Road, in Delta, CO.

The Southwest Colorado RAC meetings will begin at 9 a.m. and adjourn at approximately 4 p.m. Public comment periods regarding matters on the agenda will be at 2:30 p.m.

FOR FURTHER INFORMATION CONTACT: Barbara Sharrow, BLM Uncompaghre field manager, 2505 S. Townsend Avenue, Montrose, CO; telephone 970–240–5300; or Melodie Lloyd, Public Affairs Specialist, 2815 H Road, Grand Junction, CO, telephone 970–244–3097.

SUPPLEMENTARY INFORMATION: The Southwest Colorado RAC advises the Secretary of the Interior, through the Bureau of Land Management, on a variety of public land issues in Colorado.

Topics of discussion for all Southwest Colorado RAC meetings may include field manager and working group reports, recreation, fire management, land use planning, invasive species management, energy and minerals management, travel management, wilderness, land exchange proposals, cultural resource management, and other issues as appropriate.

These meetings are open to the public. The public may present written comments at the RACs. Each formal RAC meeting will also have time, as identified above, allocated for hearing public comments. Depending on the number of persons wishing to comment and time available, the time for individual oral comments may be limited.

Dated: November 6, 2006.

Barbara Sharrow,
Uncompaghre Field Manager, Designated Federal Officer, Southwest Colorado RAC.

Bureau of Land Management

[WO–260–09–1060–00–24 1A]

Wild Horse and Burro Advisory Board; Meeting

AGENCY: Bureau of Land Management, Interior.

ACTION: Announcement of meeting.

SUMMARY: The Bureau of Land Management (BLM) announces that the Wild Horse and Burro Advisory Board will conduct a meeting on matters pertaining to management and protection of wild, free-roaming horses and burros on the Nation’s public lands.

DATES: The Advisory Board will meet Monday, December 11, 2006 from 8 a.m. to 5 p.m., local time. This will be a 1-day meeting.

ADDRESSES: The Advisory Board will meet at the Imperial Palace Hotel & Casino, 3535 Las Vegas, Blvd. South, Las Vegas, Nevada 89109. The Imperial Palace’s phone number is (702) 731–3311.

Written comments pertaining to the Advisory Board meeting should be sent to: Bureau of Land Management, National Wild Horse and Burro Program, WO–260, Attention: Ramona DeLorme, 1340 Financial Boulevard, Reno, Nevada 89502–7147. Submit written comments pertaining to the Advisory Board meeting no later than close of business, December 6, 2006. See SUPPLEMENTARY INFORMATION section for electronic access and filing address.

FOR FURTHER INFORMATION CONTACT: Ramona DeLorme, Wild Horse and Burro Administrative Assistant, (775) 861–6583. Individuals who use a telecommunications device for the deaf (TDD) may reach Ms. DeLorme at any time by calling the Federal Information Relay Service at 1 (800) 877–8339.

SUPPLEMENTARY INFORMATION:

I. Public Meeting

Under the authority of 43 CFR part 1784, the Wild Horse and Burro Advisory Board advises the Secretary of the Interior, the Director of the BLM, the Secretary of Agriculture, and the Chief of the Forest Service, on matters pertaining to management and protection of wild, free-roaming horses
