SUPPLEMENTARY INFORMATION:
Public Comments Solicited

We intend that any final action resulting from this proposal will be as accurate and as effective as possible. Therefore, comments or suggestions from the public, other concerned governmental agencies, the scientific community, industry, or any other interested party concerning this proposed rule are hereby solicited. Comments particularly are sought concerning:

(1) The reasons any habitat should or should not be determined to be critical habitat as provided by section 4 of the Act, including whether the benefit of designation will outweigh any threats to the species due to designation;

(2) Specific information on the amount and distribution of Chorizanthe pungens var. pungens habitat, and what areas should be included in the designations that were occupied at the time of listing that contain the features that are essential for the conservation of the species and why, and what areas that were not occupied at the time of listing are essential to the conservation of the species and why;

(3) Land use designations and current or planned activities in the subject areas and their possible impacts on proposed critical habitat;

(4) Any foreseeable economic, national security, or other potential impacts resulting from the proposed designation and, in particular, any impacts on small entities;

(5) Whether our approach to designating critical habitat could be improved or modified in any way to provide for greater public participation and understanding, or to assist us in accommodating public concerns and comments;

(6) This proposed designation’s revised criteria for determining essential features and critical habitat boundaries; and

(7) The existence of any conservation or management plans being implemented by California State Parks, Bureau of Land Management (BLM) on former Fort Ord, or other public or private land management agencies or owners that we should consider for exclusion from the designation pursuant to section 4(b)(2) of the Act. Please include information on any benefits (educational, regulatory, etc.) of including or excluding lands from this proposed revised designation.

If you wish to comment, you may submit your comments and materials concerning this proposal by any one of several methods (see ADDRESSES section). Please submit Internet comments to fw8mosp@fws.gov in ASCII file format and avoid the use of special characters or any form of encryption. Please also include “Attn: Chorizanthe pungens var. pungens” in your e-mail subject header and your name and return address in the body of your message. If you do not receive a confirmation from the system that we have received your Internet message, contact us directly by calling our VFWO at phone number 805/644–1766, ext. 333. Please note that the Internet address, fw8mosp@fws.gov, will be closed out at the termination of the public comment period.

Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their names and home...
