U.S. Citizenship and Immigration Services

[CIS No. 2390–06]

RIN 1615–ZA36

Extension of the Designation of Temporary Protected Status for Nicaragua; Automatic Extension of Employment Authorization Documentation for Nicaragua TPS Beneficiaries; Correction

ACTION: Notice of correction.

SUMMARY: U.S. Citizenship and Immigration Services (USCIS) is correcting a notice that was published in the Federal Register on May 19, 2006 (71 FR 29166) which intended to correct a notice that was published in the Federal Register on March 31, 2006 (71 FR 16333) announcing the extension of the Temporary Protected Status (TPS) designation for Nicaragua.

The USCIS published a notice in the Federal Register on May 19, 2006 (71 FR 29166) that corrected the end date of the 60-day re-registration period. The correction notice published on May 19, 2006 inadvertently identified the end date for re-registration as June 30, 2006. The correct end date for the re-registration period is June 1, 2006. This notice corrects the end date to be June 1, 2006.

DATES: This correction is effective May 24, 2006.

SUPPLEMENTARY INFORMATION:

Need for Correction

As published in the Federal Register on (71 FR 29166), the correction document contains an error that is in need of correction.

Correction of Publication

The document that was published on March 31, 2006 (71 FR 16333) that was the subject of FR Doc. E6–4686, was corrected by the publication of a document published on May 19, 2006 (71 FR 29166) that was the subject of FR Doc. E6–7686. Accordingly, this notice further corrects the document that was published on May 19, 2006 as follows:

1. On page 16333, in the third column, in the sixth line under “Effective Dates” date “June 30, 2007” is corrected to read: “June 1, 2006”.

Dated: May 19, 2006.

Richard A. Sloan,

Director, Regulatory Management Division, U.S. Citizenship and Immigration Services.

Receipt of Applications for Endangered Species Permits

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice.

SUMMARY: The public is invited to comment on the following applications to conduct certain activities with endangered species.

DATES: We must receive written data or comments on these applications at the address given below, by June 23, 2006.

ADDRESSES: Documents and other information submitted with these applications are available for review, subject to the requirements of the Privacy Act and Freedom of Information Act, by any party who submits a written request for a copy of such documents to the following office within 30 days of the date of publication of this notice: U.S. Fish and Wildlife Service, 1875 Century Boulevard, Suite 200, Atlanta, Georgia 30345 (Attn: Victoria Davis, Permit Biologist).
The applicant requests authorization to take (capture, identify, monitor nests, install inserts, band, release) the Red-cockaded woodpecker (Picoides borealis) while conducting presence/absence surveys, nest monitoring, artificial cavity creation using boxes and drilled cavities, and banding of juvenile and adult birds. The proposed activities would occur throughout the species range in the states of Georgia, North Carolina, South Carolina, Alabama, and Florida.

Applicant: Barbara P. Allen, Gulf Shores, Alabama, TE125557–0.

The applicant requests authorization to take (capture, identify, relocate nest, release) the following species: Alabama beach mouse (Peromyscus polionotus ammobates), Kemps ridley sea turtle (Lepidochelys kempii), green sea turtle (Chelonia mydas), loggerhead sea turtle (Caretta caretta), and gopher tortoise (Gopherus polyphemus) while conducting presence/absence surveys and nest monitoring activities. The proposed activities would occur in Mobile and Baldwin Counties, Alabama.

Applicant: James Bernard Akins, Jasper, Tennessee, TE125570–0.

The applicant requests authorization to take (capture, identify, release) the gray bat (Myotis grisescens) and Indiana bat (Myotis sodalis) while conducting presence/absence surveys. The proposed activities would occur at the Russell Cave National Monument, Jackson County, Alabama and Little River Canyon National Preserve, Dekalb County, Alabama.

Applicant: Robert W. Thomas, III, Hendersonville, North Carolina, TE125573–0.

The applicant requests authorization to take (capture, monitor nests, install inserts, band, release) the Red-cockaded woodpecker (Picoides borealis) while conducting presence/absence surveys, nest monitoring, artificial cavity creation using boxes and drilled cavities, and banding of juvenile and adult birds. The proposed activities would occur throughout the species range in the states of Georgia, North Carolina, South Carolina, Alabama, and Florida.

Applicant: Robert W. Thomas, III, Hendersonville, North Carolina, TE125573–0.

The applicant requests authorization to take (capture, identify, release) the American burying beetle (Nicrophorus americanus) while conducting presence/absence studies. The proposed activities would occur in Crawford County, Arkansas.

Applicant: USDA Forest Service, National Forest in Alabama, Steve Rickerson, Montgomery, Alabama, TE125740–0.

The applicant requests authorization to take (capture, monitor nests, install inserts, band, translocate, release) the Red-cockaded woodpecker (Picoides borealis) while conducting presence/absence surveys, nest monitoring, artificial cavity creation using boxes and drilled cavities, and banding of juvenile and adult birds. The proposed activities would occur throughout the species range in the Talladega National Forest and the Conchuc National Forest, Alabama. Also, translocation, Safe Harbor, and special assignments may occur throughout the species range.

Noreen E. Walsh, Acting Regional Director.
