We are soliciting comments on the following:

(a) Whether the collection of information is necessary for the proper functioning of the agency, including whether the information will have practical utility;

(b) The accuracy of our estimates of the information collection burden, including the validity of the methodology and assumptions we use;

(c) Ways to enhance the quality, utility, and clarity of the information collected; and

(d) Ways to minimize the information collection burden on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Title: Protection, Management, and Control of Wild Free-Roaming Horses and Burros (43 CFR part 4700).

OMB Control Number: 1004–0042; Form Number BLM 4710–10.

Abstract: The BLM manages the wild free-roaming horse and burro program on public lands according to the regulations at 43 CFR part 4700. These regulations implement the following authorities:

(1) The Wild Free-Roaming Horse and Burro Act (16 U.S.C. 1331 *et seq.*); and

(2) The Federal Land Policy and Management Act (43 U.S.C. 1701 *et seq.*).

The BLM uses this information to approve the adoption of wild free-roaming horses and burros from the public lands and to process other transactions involving adopted horses and burros.

Burden Estimate: We estimate the completion time for this form and non-form information that is submitted on occasion to the BLM by individuals and households as follows:

Burden hours information collected	Number of actions per year	Burden hours per action (minutes)	Total annual burden hours
A Application for private maintenance.	14,000	30	7,000
B Supporting information and certification for private maintenance of more than 4 wild horses or burros.	12	10	2
