SUPPLEMENTARY INFORMATION:

What is Form I–821?

Form I–821 is an application used by aliens to apply for TPS for the first time, as well as by aliens applying to re-register for TPS. The current version of Form I–821 can be found at http://www.uscis.gov.

What version of the Form I–821 will USCIS accept?

Any alien who files an initial application or re-registration application for TPS on or after June 27, 2008, must submit Form I–821 with the October 17, 2007, revision date.

Why will USCIS not accept prior versions of Form I–821?

The Form I–821 with the October 17, 2007, revision date contains additional questions regarding the applicant’s eligibility for TPS that are not contained on the Form I–821 with prior revision dates. As such, previous versions of Form I–821 will no longer be accepted by USCIS.

What will happen if you file previous versions of Form I–821?

Beginning on June 27, 2008, USCIS will no longer accept any versions of Form I–821 dated prior to the October 17, 2007, revision date. TPS applications received containing previous versions of Form I–821 will be rejected and returned to the applicant, with accompanying fees for resubmission with the proper version of Form I–821.

Where should you file the revised Form I–821?

For filing instructions, refer to the most recently published Federal Register notice for the specific country designation under which you are applying. You may also check the USCIS Web site at http://www.uscis.gov or contact the USCIS National Customer Service Center at 1–800–375–5283.

Can I electronically file the revised form I–821?

If you are filing for re-registration during the re-registration period for your country and do not need to submit supporting documentation with your application, you may file your application electronically. To file your application electronically, follow the directions on the USCIS Web site at http://www.uscis.gov. You may not file your application electronically if you are filing for TPS for the first time.

Paperwork Reduction Act

The use of the revised Form I–821 has been approved by the Office of Management and Budget under the Paperwork Reduction Act. The OMB Control Number for this collection is 1615–0043.

Dated: May 9, 2008.
