2008–2009 Refuge-Specific Hunting and Sport Fishing Regulations—Modifications; Corrections

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Final rule; correcting amendments.

SUMMARY: On September 3, 2009, we published a final rule in the Federal Register implementing pertinent refuge-specific regulations and amending other existing refuge-specific regulations that pertain to migratory game bird hunting, upland game hunting, big game hunting, and sport fishing for the 2008–2009 season. This rule contained errors in the amendatory language and the regulatory text. This document corrects those errors.

DATES: This correction is effective October 1, 2009.

FOR FURTHER INFORMATION CONTACT: Leslie Marler (703) 358–2397.

SUPPLEMENTARY INFORMATION:
On September 3, 2009, we published a final rule (74 FR 45674) that implemented pertinent refuge-specific regulations and amended other existing refuge-specific regulations pertaining to migratory game bird hunting, upland game hunting, big game hunting, and sport fishing for the 2008–2009 season. This rule became effective on the day of publication, September 3, 2009. In the rule, several of our amendatory instructions for adding or revising paragraphs in the regulatory text section were not clear. This document corrects error that arose from those unclear instructions. In addition, this document contains the following corrections to the regulatory text:

In the State of Alabama, the correction for Cahaba National Wildlife Refuge reflects that conditions B.2., B.3., and B.7. apply rather than B.8. which does not exist. The correction for Mountain Longleaf National Wildlife Refuge reflects that conditions A.1. through A.4. apply rather than A.5. which does not exist.

In the State of Georgia, the correction for Savannah National Wildlife Refuge reflects the addition of a sentence to C.10. that was inadvertently omitted.

In the State of Maryland, the correction for Patuxent Research Refuge reflects removal of extraneous characters at the end of condition D.18.vi. inadverently applied during XML coding of the document.

Administrative Procedure Act

We find good cause to waive notice and comment on this correction, under 5 U.S.C. 553(b)(B), and the 30-day delay in effective date under 5 U.S.C. 553(d). Notice and comment are unnecessary because these corrections are minor, editorial changes. The substance of the regulations remains unchanged. Therefore, this correction is being published as a final regulation and is effective upon publication.
