consequences, and unique and unforeseeable environmental impacts. For these reasons, in early 2009 the Superintendent determined that an EIS would be prepared.

All scoping comments received to date are included in the official administrative record; the Scoping Summary Report includes all comments and information obtained to date and is available on-line at http://parkplanning.nps.gov/seki. It is not necessary for previous letters to be resubmitted; however if prior respondents have new issues or information they wish to bring forward then new letters should be submitted. For further information contact Nancy Hendricks at (559) 565–3102 or SEKI_planning@nps.gov (address as noted below).

DATES: All written comments must be postmarked or transmitted not later than November 21, 2009. Letters may be mailed or hand delivered to Superintendent, Sequoia and Kings Canyon National Park, 47050 Generals Highway, Three Rivers, CA 93271 (Attn: Aquatic Restoration EIS), or may be sent electronically to http://parkplanning.nps.gov/seki. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. As a delegated EIS the official responsible for approval of the High Elevation Aquatic Ecosystems and Native Species Restoration Plan is the Regional Director, Pacific West Region, National Park Service. Subsequently the official responsible for implementing the approved plan would be the Superintendent, Sequoia and Kings Canyon National Parks.

Dated: August 11, 2009.
Jonathan B. Jarvis,
Regional Director, Pacific West Region, National Park Service.

Wind Turbine Guidelines Advisory Committee; Announcement of Public Teleconference and Webcast

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of public teleconference and Webcast.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), will host a Wind Turbine Guidelines Advisory Committee (Committee) meeting via Webcast and teleconference, on October 14, 2009. This meeting is open to the public but will be limited to 75 public participants. The meeting agenda will include a briefing and discussion of the current draft Recommendations to the Secretary of the Interior. The Service is hosting this meeting with less than 15 days’ notice under exceptional circumstances. The Committee will terminate on October 26, 2009, unless it is renewed prior to that date. The Committee will therefore need this meeting to finalize its draft Recommendations in the case that the Committee is not renewed.

DATES: Meeting: The meeting will take place on October 14, 2009, from 11 a.m. to 3 p.m. Eastern Time.

Pre-meeting Public Registration: If you are a member of the public wishing to participate in the October 14, 2009, meeting, you must register online by October 13, 2009 (see “Meeting Participation Information” in SUPPLEMENTARY INFORMATION).

SUPPLEMENTARY INFORMATION:
Background

On October 24, 2007, the Secretary of the Interior (Secretary) established the Committee to provide advice and recommendations to the Secretary on developing effective measures to avoid or minimize impacts to wildlife and their habitats related to land-based wind energy facilities. The Committee is made up of 22 members representing the varied interests associated with wind energy development and its potential impacts to wildlife species and their habitats. All Committee meetings are open to the public.

Meeting Participation Information

This meeting is open to the public and is limited to 75 registrants. Members of the public planning to participate must register at http://www.fws.gov/habitatconservation/windpower/wind_turbine_advisory_committee.html by close of business, October 13, 2009. Registrants will be provided with instructions for participation via e-mail. We will give preference to registrants based on date and time of registration.

DATED: October 2, 2009.

Rachel London,
Alternate Designated Federal Officer, Wind Turbine Guidelines Advisory Committee.

Notice of Lodging of Proposed Consent Decree under the Clean Water Act

Notice is hereby given that on September 29, 2009, a Consent Decree in United States of America and Commonwealth of Virginia v. Hampton Roads Sanitation District, Civil Action No. 2:09–cv–481, was lodged with the United States District Court for the Eastern District of Virginia, Norfolk Division.

The Commonwealth of Virginia joins the United States as a co-plaintiff in this action and in the consent decree. The proposed consent decree resolves the claims in the Joint Complaint in this action, filed together with this Notice of Lodging, in which the United States and the Commonwealth of Virginia allege that HRSD has violated the Federal Water Pollution Control Act, 42 U.S.C. 1251 et seq. (the “Act”) and the State Water Control Law, § 62.1-44.2 et seq. of the Code of Virginia of 1950. Specifically, Plaintiffs allege that HRSD had over 350 unauthorized discharges of sewage, known as sanitary sewer overflows (“SSOs”), since February, 2003.

The consent decree obligates Hampton Roads Sanitation District (“HRSD”), located in Hampton Roads, Virginia, to implement a number of technical plans to evaluate its sanitary sewer system and sewage treatment plants, and to submit for approval a Regional Wet Weather Management Plan (“RWWMP”) to address potential capacity issues in its sanitary sewers and treatment plants. The consent decree further obligates HRSD to implement expeditiously the projects set forth in the RWWMP for HRSD to perform. HRSD also commits to implement a number of “priority one” projects in its Capital Improvement Plan to upgrade its aging sewers; to submit programs to upgrade its maintenance programs; and to identify and fix components that have a high risk of failure. Finally, under the consent decree, HRSD must pay a civil penalty of $255,500 to Plaintiffs.

The Department of Justice will receive comments for a period of thirty (30) days from the date of this publication comments relating to this proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pbcomment-ees.endr@usdoj.gov or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044–7611. During the public comment period, the consent decree may also be examined at the Office of the United States Attorney for the Eastern District of Virginia, World Trade Center, Suite 8000, 101 W. Main Street, Norfolk, VA 23510. During the public comment period, the consent decree may also be examined on the following Department of Justice Web site, http://www.usdoj.gov/enrd/Consent_Decrees.html. A copy of the proposed Consent Decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044–7611 or by faxing or e-mailing a request to Tonia Fleetwood (tonia.fleetwood@usdoj.gov), fax no. (202) 514–0097, phone confirmation number (202) 514–1547. In requesting a copy from the Consent Decree Library, please enclose a check in the amount of $255.50 (25 cents per page) payable to the U.S. Treasury.

Maureen Katz,
Assistant Chief, Environmental Enforcement Section, Environment and Natural Resources Division.
