Certifications and evidence to this effect will be required of the purchaser prior to issuance of a patent. The Federal mineral interests underlying this parcel have no known mineral value and will be conveyed with the sale of the parcel. A sealed bid for the above described parcel constitutes an application for conveyance of those mineral interests. In addition to the full purchase price, a successful bidder must pay a separate nonrefundable filing fee of $50 for the mineral interests to be conveyed simultaneously with the sale of the land.

Publication of this Notice in the Federal Register segregates the subject land from appropriation under the public land laws, except sale under the provisions of the FLPMA. The segregation will terminate upon issuance of patent, upon publication in the Federal Register of a termination of the segregation, or on October 20, 2011, unless extended by the BLM State Director in accordance with 43 CFR 2711.1–2(d) prior to the termination date.

The terms and conditions applicable to this sale are as follows:

1. The parcel is subject to valid existing rights.
2. To the extent required by law, this parcel is subject to the requirements of Section 120(h) of the Comprehensive Environmental Response Compensation and Liability Act, as amended (CERCLA) (42 U.S.C. 9620(h)).
3. An appropriate indemnification clause protecting the United States from claims arising out of the lessee's/ patentee's use, occupancy, or occupations on the leased/patented lands.
4. No warranty of any kind, expressed or implied, is given by the United States as to the title, physical condition or potential uses of the land proposed for sale, and the conveyance will not be on a contingency basis. It is the buyer's responsibility to be aware of all applicable local government policies and regulations that may affect the subject land or its future uses. It is also the buyer's responsibility to be aware of existing or prospective uses of nearby properties. Any land lacking access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

Public Comments: Interested parties and the general public may submit written comments concerning the land being considered for sale, including notification of any encumbrances or other claims relating to the identified land, to the Field Manager, BLM Milwaukee Field Office, at the above address on or before December 4, 2009. Comments transmitted via e-mail or facsimile will not be considered. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. The BLM will make available for public review, in their entirety, all comments submitted by businesses or organizations, including comments by an individual in their capacity as an official or representative of a business or organization. Comments will be available for public review at the BLM Milwaukee Field Office during regular business hours, except holidays.

Any adverse comments will be reviewed by the State Director, who may sustain, vacate, or modify this treaty action. In the absence of timely filed objections, this treaty action will become the final determination of the Department of the Interior.

Authority: 43 CFR part 2711.

Steven Wells,
Deputy State Director, Division of Natural Resources.

DEPARTMENT OF THE INTERIOR
Fish and Wildlife Service

Receipt of Application for Incidental Take Permit for One Parking Facility in Escambia County, FL

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice: receipt of application for incidental take permit (ITP) for a Habitat Conservation Plan (HCP); availability of proposed HCP and environmental assessment (EA); request for comment.

SUMMARY: We, the Fish and Wildlife Service, announce the availability of a proposed HCP, accompanying ITP application, and an EA, which analyzes the take of the Perdido Key beach mouse incidental to the Project. The applicant requests a 30-year ITP under section 10(a)(1)(II) of the Endangered Species Act of 1973 (Act; 16 U.S.C. 1531 et seq.), as amended.

We specifically request information, views, and opinions from the public via this notice on our proposed Federal action, including identification of any other aspects of the human environment not already identified in the EA pursuant to NEPA regulations (40 CFR 1506.6). Further, we specifically solicit information regarding the adequacy of the HCP per 50 CFR parts 13 and 17.

An assessment of the likely environmental impacts associated with the implementation of the Spanish Key HCP, the EA considers the environmental consequences of the no-action alternative and the proposed action. The proposed action alternative is issuance of the ITP and implementation of the HCP as submitted by the Applicant. The HCP covers activities associated with the construction and maintenance of a parking facility. Avoidance, minimization and mitigation measures include a reduced design footprint, on-site land management to maintain use of the site by Perdido Key beach mice, and

[End of Summary]

We must receive any written comments on the ITP application, EA, and HCP at our Regional Office (see ADDRESSES) on or before November 19, 2009.

ADDRESSES: Documents will be available for public inspection by appointment during normal business hours at the Fish and Wildlife Service's Regional Office, 1875 Century Boulevard, Suite 200, Atlanta, GA 30345 (Attn: David Dell); or Field Supervisor, Fish and Wildlife Service, 1601 Balboa Avenue, Panama City, FL 32405.

FOR FURTHER INFORMATION CONTACT: Mr. David Dell, Regional HCP Coordinator, (see ADDRESSES), telephone: (404) 679–7313; or Mr. Ben Frater, Field Office Project Manager, at the Panama City Field Office (see ADDRESSES), telephone: (850) 769–0552, ext. 248.

SUPPLEMENTARY INFORMATION: We announce the availability of a proposed HCP, accompanying ITP application, and an EA, which analyzes the take of the Perdido Key beach mouse incidental to the Project. The applicant requests a 30-year ITP under section 10(a)(1)(II) of the Endangered Species Act of 1973 (Act; 16 U.S.C. 1531 et seq.), as amended.

We specifically request information, views, and opinions from the public via this notice on our proposed Federal action, including identification of any other aspects of the human environment not already identified in the EA pursuant to NEPA regulations (40 CFR 1506.6). Further, we specifically solicit information regarding the adequacy of the HCP per 50 CFR parts 13 and 17.

An assessment of the likely environmental impacts associated with the implementation of the Spanish Key HCP, the EA considers the environmental consequences of the no-action alternative and the proposed action. The proposed action alternative is issuance of the ITP and implementation of the HCP as submitted by the Applicant. The HCP covers activities associated with the construction and maintenance of a parking facility. Avoidance, minimization and mitigation measures include a reduced design footprint, on-site land management to maintain use of the site by Perdido Key beach mice, and
funding off-site habitat acquisition and management.

Public Comments

If you wish to comment, you may submit comments by any one of several methods. Please reference TE227165–0 in such comments. You may mail comments to the Fish and Wildlife Service’s Regional Office (see ADDRESSES). You may also comment via the Internet to david_dell@fws.gov. Please include your name and return address in your Internet message. If you do not receive a confirmation from us that we have received your Internet message, contact us directly at either telephone number listed under FOR FURTHER INFORMATION CONTACT.

Finally, you may hand-deliver comments to either of our offices listed under ADDRESSES. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Covered Area

The area encompassed under the HCP and ITP application is a 0.49-acre parcel located on the bayside of the western portion of Perdido Key, a 16.9-mile barrier island. Perdido Key constitutes the entire historic range of the Perdido Key beach mouse.

Next Steps

We will evaluate these ITP applications, including the HCP and any comments we receive, to determine whether these applications meet the requirements of section 10(a)(1)(B) of the Act. We will also evaluate whether issuance of the section 10(a)(1)(B) ITP complies with section 7 of the Endangered Species Act by conducting an intra-Service section 7 consultation. We will use the results of this consultation, in combination with the above findings, in our final analysis to determine whether or not to issue the ITP. If we determine that the requirements are met, we will issue the ITP for the incidental take of the Perdido Key beach mouse.

Authority: We provide this notice under section 10 of the Act (16 U.S.C. 1531 et seq.) and NEPA regulations (40 CFR 1506.6).

Dated: September 17, 2009.

David Viker,
Acting Regional Director.

DEPARTMENT OF JUSTICE
[OMB Number 1105–0071]

National Drug Intelligence Center;
Agency Information Collection Activities: Extension With Change of a Previously Approved Collection; Comments Requested

The United States Department of Justice (DOJ), National Drug Intelligence Center (NDIC), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for “sixty days” until December 21, 2009. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Kevin M. Walker, General Counsel, National Drug Intelligence Center, Fifth Floor, 319 Washington Street, Johnstown, PA 15901.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agencies’ estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected; and
4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

1. Type of Information Collection: Extension reinstatement with change of a previously approved collection.
2. Title of the Form/Collection: National Drug Threat Survey.
3. Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Form Number: NDIC Form # A–34.
4. Affected public who will be asked or required to respond, as well as a brief abstract: Primary: Federal, State, Tribal, and Local law enforcement agencies.
   This survey is a critical component of the National Drug Threat Assessment and other reports and assessments produced by the National Drug Intelligence Center. It provides direct access to detailed drug threat data from state and local law enforcement agencies.
5. An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: It is estimated that approximately 3,500 respondents will complete a survey response within approximately 20 minutes.
6. An estimate of the total public burden (in hours) associated with the collection: There are an estimated 1,167 total annual burden hours associated with this collection.

If additional information is required contact: Ms. Lynn Bryant, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Patrick Henry Building, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Dated: October 14, 2009.

Lynn Bryant,
Department Clearance Officer, PRA, U.S. Department of Justice.
