SUPPLEMENTARY INFORMATION:
I. Public Comment Procedures

A. How do I request copies of applications or comment on submitted applications?

Send your request for copies of applications or comments and materials concerning any of the applications to the contact listed under ADDRESSES. Please include the Federal Register notice publication date, the permit or comments sent to an email or address not listed under ADDRESSES. If you provide an email address in your request for copies of applications, we will attempt to respond to your request electronically. Please make your requests or comments as specific as possible. Please confine your comments to issues for which we seek comments in this notice, and explain the basis for your comments. Include sufficient information with your comments to allow us to authenticate any scientific or commercial data you include.

The comments and recommendations that will be most useful and likely to influence agency decisions are: (1) Those supported by quantitative information or studies; and (2) Those that include citations to, and analyses of, the applicable laws and regulations. We will not consider or include in our administrative record comments we receive after the close of the comment period (see DATES) or comments delivered to an address other than those listed above (see ADDRESSES).

B. May I review comments submitted by others?

Comments, including names and street addresses of respondents, will be available for public review at the street address listed under ADDRESSES. The public may review documents and other information applicants have sent in support of the application unless our allowing viewing would violate the Privacy Act or Freedom of Information Act. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

II. Background

To help us carry out our conservation responsibilities for affected species, and in consideration of section 10(a)(1)(A) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 et seq.), along with Executive Order 13576, “Delivering an Efficient, Effective, and Accountable Government,” and the President’s Memorandum for the Heads of Executive Departments and Agencies of January 21, 2009—Transparency and Open Government (74 FR 4685: January 26, 2009), which call on all Federal agencies to promote openness and transparency in Government by disclosing information to the public, we invite public comment on these permit applications before final action is taken.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Assistant Secretary—Indian Affairs is seeking comments on the Class III Gaming Procedures, Tribal Revenue Allocation Plans, and Gaming on Trust Lands acquired after October 17, 1988. As part of the process of reviewing Class III gaming, we prepare to renew the Class III procedures for review and approval by the Secretary of the Interior. Sections 291.4, 291.10, 291.12 and 291.15 of 25 CFR 291. Class III Gaming Procedures, specify the information collection requirement. An Indian tribe must ask the Secretary to issue Class III gaming procedures. The information to be collected includes: The name of the tribe, the name of the State, tribal documents, State documents, regulatory schemes, the proposed procedures, and other documents deemed necessary.

II. Request for Comments

The BIA requests your comments on this collection concerning: (a) The necessity of this information collection for the purpose of performing the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency’s estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

III. Data

Brief Description of Collection: The collection of information will ensure that the provisions of IGRA and other applicable requirements are met when federally recognized tribes submit Class III procedures for review and approval by the Secretary of the Interior. Sections 291.4, 291.10, 291.12 and 291.15 of 25 CFR 291. Class III Gaming Procedures, specify the information collection requirement. An Indian tribe must ask the Secretary to issue Class III gaming procedures. The information to be collected includes: The name of the tribe, the name of the State, tribal documents, State documents, regulatory schemes, the proposed procedures, and other documents deemed necessary.

Type of Review: Extension without change of currently approved collection.

Respondents: Federally recognized Indian tribes.

Number of Respondents: 12.

Estimated Total Annual Hour Burden: 3,840 hours.

Brief Description of Collection: An Indian tribe must ask the Secretary to approve a tribal revenue allocation plan. In order for Indian tribes to distribute net gaming revenues in the form of per capita payments, information is needed by the BIA to ensure that tribal revenue allocation plans include (1) assurances that certain statutory requirements are met, (2) a breakdown of the specific used to which net gaming revenues will be allocated, (3) eligibility requirements for participation, (4) tax liability notification, and (5) the assurance of the protection and preservation of the per capita share of minors and legal incompetents. Sections 290.12, 290.17, 290.24 and 290.26 of 25 CFR Part 290, Tribal Revenue Allocation Plans, specify the information collection...
