There are several exemptions to the prohibitions of the CWSA, including accredited wildlife sanctuaries.
There is no requirement for wildlife sanctuaries to submit applications to qualify for the accredited wildlife sanctuary exemption. Wildlife sanctuaries themselves will determine if they qualify. To qualify, they must meet all of the following criteria:
• Approval by the United States Internal Revenue Service (IRS) as a corporation that is exempt from taxation under section 501(a) of the Internal Revenue Code of 1986, which is
burden for this collection of information:

- The accuracy of our estimate of the burden for this collection of information;
