Policy on Donations, Fundraising, and Solicitation

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice.

SUMMARY: The U.S. Fish and Wildlife Service (Service) announces that it has established a policy that covers Service procedures for accepting, using, and recognizing donations. This donations policy is an extension of the Department of the Interior’s guidance on donations, found in the Departmental Manual (DM) at 374 DM 6. The donations policy establishes procedures for reviewing and evaluating potential donors and donations. It lists delegations of authority for accepting donations and the roles and responsibilities of the Service’s Donations Senior Manager and employees authorized to accept donations. It provides guidance on soliciting donations, where appropriate, and provides general guidance on fundraising by non-Federal entities on the Service’s behalf. It focuses on the ethical considerations of all types of donations, as opposed to our Fish and Wildlife Service Manual (FW) guidance, 342 FW 5, Non-Purchase Acquisition, which covers the acquisition of real property rights by methods other than purchase, including donation.

DATES: This policy is effective as of May 1, 2014.

ADDRESSES: You may obtain copies of this final policy at http://www.fws.gov/policy/manuals. The final policy and comments are available at http://www.regulations.gov at Docket No. FWS–HQ–NWRS–2012–0092. Alternatively, you may request a copy by U.S. mail from USFWS, Division of Realty, 4401 N. Fairfax Drive, Suite 622, Arlington, Virginia 22203 (see FOR FURTHER INFORMATION CONTACT). They are also available for public inspection, by appointment, during normal business hours at the above address.
