While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

The complaint alleged violations of Section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the sale for importation, importation, or sale within the United States after importation of certain devices containing non-volatile memory and products containing the same by reason of infringement of certain claims of U.S. Patent No. 8,341,324; and U.S. Patent No. 8,341,330.
