The Draft Plan describes the injuries that occurred as a result of the discharge of oil, how the Trustees estimated damages, how those damages will be addressed through proposed restoration alternatives, and what the expected environmental impacts of the proposed projects would be. By law, natural resource damages received must be used to restore, rehabilitate, replace, and/or acquire the equivalent of those injured natural resources.

Public Involvement

Interested members of the public are invited to review and comment on the Plan. Copies can be requested from the address and Web site listed above. Comments on the Draft Plan should be sent to the U.S. Fish and Wildlife Service (see ADDRESSES). The U.S. Fish and Wildlife Service will provide copies of all comments to the other Trustees. All comments received from individuals will be part of the official public record. Requests for such comments will be handled in accordance with the Freedom of Information Act and the Council on Environmental Quality's NEPA regulations (40 CFR 1506.6(f)).

Availability of Public Comments

The Trustees’ practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that the entire comment, including your personal identifying information, may be available at any time. While individual respondents may request that the Fish and Wildlife Service withhold their personal identifying information from public review, we cannot guarantee we will be able to do so.

Authority

This notice is provided pursuant to NRDAR regulations (15 CFR 990.23 and 990.55(c)) and NEPA regulations (40 CFR 1506.6). Dated: April 3, 2015.

Charles Wooley,
Acting Regional Director, Midwest Region,
U.S. Fish and Wildlife Service.

BILLING CODE 4310–55–P

DEPARTMENT OF THE INTERIOR
Fish and Wildlife Service

ENDANGERED SPECIES ACT; MARINE MAMMALS; RECEIPT OF APPLICATIONS FOR PERMIT

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of applications for permit.

SUMMARY: We, the U.S. Fish and Wildlife Service, invite the public to comment on the following applications to conduct certain activities with endangered species or marine mammals. With some exceptions, the Endangered Species Act (ESA) and Marine Mammal Protection Act (MMPA) prohibit activities with listed species unless Federal authorization is acquired that allows such activities.

DATES: We must receive comments or requests for documents on or before July 13, 2015. We must receive requests for marine mammal permit public hearings, in writing, at the address shown in the ADDRESSES section by July 13, 2015.

ADDRESSES: Brenda Tapia, U.S. Fish and Wildlife Service, Division of Management Authority, Branch of Permits, MS: IA, 5275 Leesburg Pike, Falls Church, VA 22041; fax (703) 358–2281; or email DMAFPR@fws.gov.

FOR FURTHER INFORMATION CONTACT: Brenda Tapia, (703) 358–2104 (telephone); (703) 358–2281 (fax); DMAFPR@fws.gov (email).

SUPPLEMENTARY INFORMATION:

I. Public Comment Procedures

A. How Do I Request Copies of Applications or Comment on Submitted Applications?

Send your request for copies of applications or comments and materials concerning any of the applications to the contact listed under ADDRESSES. Please include the Federal Register notice publication date, the PRT-number, and the name of the applicant in your request or submission. We will not consider requests or comments sent to an email or address not listed under ADDRESSES. If you provide an email address in your request for copies of applications, we will attempt to respond to your request electronically.

Please make your requests or comments as specific as possible. Please confine your comments to issues for which we seek comments in this notice, and explain the basis for your comments. Include sufficient information with your comments to allow us to authenticate any scientific or commercial data you include.

The comments and recommendations that will be most useful and likely to influence agency decisions are: (1) Those supported by quantitative information or studies; and (2) Those that include citations to, and analyses of, the applicable laws and regulations.

We will not consider or include in our administrative record comments we...
receive after the close of the comment period (see DATES) or comments delivered to an address other than those listed above (see ADDRESSES).

B. May I Review Comments Submitted by Others?

Comments, including names and street addresses of respondents, will be available for public review at the street address listed under ADDRESSES. The public may review documents and other information applicants have sent in support of the application unless our allowing viewing would violate the Privacy Act or Freedom of Information Act. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

II. Background

To help us carry out our conservation responsibilities for affected species, and in consideration of section 10(a)(1)(A) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 et seq.), and the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 et seq.), along with Executive Order 13576, “Delivering an Efficient, Effective, and Accountable Government,” and the President’s Memorandum for the Heads of Executive Departments and Agencies of January 21, 2009—Transparency and Open Government (74 FR 4685; January 26, 2009), which call on all Federal agencies to promote openness and transparency in Government by disclosing information to the public, we invite public comment on these permit applications before final action is taken. Under the MPPA, you may request a hearing on any MPPA application received. If you request a hearing, give specific reasons why a hearing would be appropriate. The holding of such a hearing is at the discretion of the Service Director.

III. Permit Applications

A. Endangered Species

Applicant: Tanganyika Wildlife Park, Goddard, KS; PRT–54794B

The applicant requests a permit to import one male and one female captive-born mandrill (Mandrillus sphinx) from Nature Resource Network S.R.O., Zbecno, Czech Republic, for the purpose of enhancement of the species through captive propagation and conservation education.

Applicant: Wildlife Conservation Society, Bronx, NY; PRT–60999B

The applicant requests a permit to import 12 live gavials (Gavialis gangeticus) from the Madras Crocodile Bank Trust, Tamil Nadu, India, for the purpose of enhancement of the survival of the species.

Applicant: Disney’s Animal Kingdom, Bay Lake, FL; PRT–63962B

The applicant requests a permit to import four male captive-born African wild dogs (Lycaon pictus pictus) from the Perth Zoo, South Perth, Australia, for the purpose of enhancement of the species through captive propagation and conservation education.

Applicant: Wildlife & Environmental Conservation, Inc., Moorpark, CA; PRT–54022B

The applicant requests a permit to capture a captive-bred wildlife registration under 50 CFR 17.21(g) for leopard (Panthera pardus), snow leopard (Uncia uncia), Galapagos tortoise (Chelonoidis nigra), and radiated tortoise (Astrochelys radiata) to enhance the species’ propagation or survival. This notification covers activities to be conducted by the applicant over a 5-year period.

Applicant: Virginia Zoological Park, Norfolk, VA; PRT–676511

The applicant requests a permit to conduct scientific research with gray mouse lemur (Microcebus rufus) to conduct scientific research with gray mouse lemur (Microcebus rufus) [80 FR 30263]. The scientific name is being modified to conduct research with any species of mouse lemur. All the other information we printed was correct.

Applicant: Stanford University, Stanford, CA; PRT–54288B

On May 27, 2015, we published a Federal Register notice inviting the public to comment on their application to conduct scientific research with gray mouse lemur (Microcebus rufus) [80 FR 30263]. The scientific name is being modified to conduct research with any species of mouse lemur. All the other information we printed was correct.

With this notice, we correct the scientific name and reopen the comment period for PRT–54288B. The corrected entry for this application is as follows: The applicant requests a permit to import biological samples for mouse lemur (Microcebus species) and (Mirza coquereli) from France and Madagascar, for the purpose of enhancement of the species through scientific research. This notification covers activities to be conducted by the applicant over a 5-year period.

Multiple Applicants

The following applicants each request a permit to import the sport-hunted trophy of one male bontebok (Damaliscus pygargus pygargus) culled from a captive herd maintained under the management program of the Republic of South Africa, for the purpose of enhancement of the survival of the species.

Applicant: Andrew Gwynn, Anna, TX; PRT–64739B

Applicant: Tadd Tellepsen, Houston, TX; PRT–65907B
DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

Amendment

AGENCY: Bureau of Indian Affairs, Interior.

SUMMARY: This notice publishes amendments to the Confederated Tribes of the Umatilla Indian Reservation Liquor Code. This codification amends the existing Confederated Tribes of the Umatilla Indian Reservation Liquor Code, enacted by the Board of Trustees of the Confederated Tribes of the Umatilla Indian Reservation, which was published in the Federal Register on February 22, 2012 (77 FR 10551).

Dated: June 8, 2015.

Kevin K. Washburn, Assistant Secretary—Indian Affairs.

The Confederated Tribes of the Umatilla Indian Reservation Liquor Code, as amended, shall read as follows:

CHAPTER 1. Liquor Code

SECTION 1.01. Title

This Code shall be the Liquor Code of the Confederated Tribes of the Umatilla Indian Reservation (Confederated Tribes) and shall be referenced as the Liquor Code.

SECTION 1.02. Findings And Purpose

A. The introduction, possession, and sale of liquor on Indian reservations has historically been recognized as a matter of special concern to Indian tribes and to the United States. The control of liquor on the Umatilla Indian Reservation remains exclusively subject to the legislative enactments of the Confederated Tribes in its exercise of its governmental powers over the Reservation, and the United States.

B. Federal law prohibits the introduction of liquor into Indian Country (18 U.S.C. 1154), and authorized tribes to decide when and to what extent liquor transactions, sales, permission and service shall be permitted on their reservation (18 U.S.C. 1161).

C. The Board of Trustees, as the governing body of the Confederated Tribes pursuant to Article VI, § 1 of the Constitution and Bylaws of the Confederated Tribes, have adopted Resolutions to permit the sale and service of liquor at the Wildhorse Resort & Casino and at Coyote Business Park as provided in this Code, but at no other locations.

D. Pursuant to the authority in Article VI, § 1(a) of the Confederated Tribes' Constitution, the Board of Trustees has the authority “to represent the [Confederated] Tribes and to negotiate with the Federal, State and local governments on projects and legislation that affect the [Confederated] Tribes”.

E. Pursuant to the authority in Article VI, § 1(d) of the Confederated Tribes' Constitution, the Board of Trustees has the authority “to promulgate and enforce ordinances governing the conduct of all persons and activities within the boundaries of the Umatilla Indian Reservation, providing for the procedure of the Board of Trustees, and carrying out any powers herein conferred upon the Board of Trustees”.

F. The enactment of this Liquor Code to govern liquor sales and service on the Umatilla Indian Reservation will increase the ability of the Confederated Tribes to control Reservation liquor distribution, sales, service and possession, and at the same time will provide an important source of revenue for the continued operation of Tribal government and the delivery of governmental services, as well as provide an amenity to customers of enterprises of the Confederated Tribes.

G. The Confederated Tribes have entered into a Memorandum of Understanding (MOU) with the Oregon Liquor Control Commission to deal with governmental issues associated with the licensing and regulation of liquor sales on the Umatilla Indian Reservation.

SECTION 1.03. Definitions

A. Unless otherwise required by the context, the following words and phrases shall have the designated meanings.

1. “Alcohol”. That substance known as ethyl alcohol, hydrated oxide or ethyl, spirits or wine as defined herein, which is commonly produced by the
