**SUPPLEMENTARY INFORMATION:**

**SUMMARY:**

We, the U.S. Fish and Wildlife Service, propose to issue an endangered species recovery permit to conduct certain activities affecting the status and conditions of endangered species. The Act also requires that we provide an adequate description of the nominee’s qualifications, including information that would enable the Department of the Interior to make an informed decision regarding meeting the membership requirements of the Committee and permit the Department to contact a potential member. Current members can be renominated and reappointed to the Council. Individuals who are federally registered lobbyists are ineligible to serve on all FACA and non-FACA boards, committees, or councils in an individual capacity. The term “individual capacity” refers to individuals who are appointed to exercise their own individual best judgment on behalf of the government, such as when they are designated Special Government Employees, rather than being appointed to represent a particular interest.
