AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability; request for public comments.

SUMMARY: Under the Endangered Species Act, as amended (Act), we, the U.S. Fish and Wildlife Service, invite the public to comment on federally listed American burying beetle incidental take permit applications. The applicants anticipate American burying beetle take as a result of impacts to habitat the species uses for breeding, feeding, and sheltering in Oklahoma. If approved, the permits would be issued under the approved American Burying Beetle Amended Oil and Gas Industry Conservation Plan (ICP) Endangered Species Act Section 10(a)(1)(B) Permit Issuance in Oklahoma.

DATES: To ensure consideration, written comments must be received on or before September 18, 2017.
