utility, and clarity of the information to be collected; and (4) suggestions to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. The comments that are submitted will be summarized and included in the request for approval. All comments will become a matter of public record.

Overview of This Information Collection

Title: Trusted Traveler Programs and U.S. APEC Business Travel Card.

OMB Number: 1651–0121.

Form Numbers: 823S (SENTRI) and 823F (FAST).

Abstract: This collection of information is for CBP’s Trusted Traveler Programs, including the Secure Electronic Network for Travelers Rapid Inspection (SENTRI), which allows expedited entry at specified land border ports of entry along the U.S.-Mexico border; the Free and Secure Trade (FAST) Program, which provides expedited border processing for known, low-risk commercial drivers; and Global Entry, which allows pre-approved, low-risk air travelers expedited clearance upon arrival into the United States.

The purpose of all of these programs is to provide prescreened travelers expedited entry into the United States. The benefit to the traveler is less time spent in line waiting to be processed. These Trusted Traveler Programs are provided for in 8 CFR 235.7, 235.12, and 8 CFR 103.7(b)(1)(ii)(G) and (M).

This information collection also includes the U.S. Asia-Pacific Economic Cooperation (APEC) Business Travel Card (ABTC) Program, which is a voluntary program that allows U.S. citizens to use fast-track immigration lanes at airports in the 20 other APEC member countries. This program is mandated by the Asia-Pacific Economic Cooperation Business Travel Cards Act of 2011, Public Law 112–54, and provided for by 8 CFR 235.13 and 8 CFR 103.7(b)(1)(ii)(N). Pursuant to these laws and regulations, ABTCs could be issued through September 30, 2018. On November 2, 2017, the President signed into law the Asia-Pacific Economic Cooperation Business Travel Cards Act of 2017, which makes the ABTC Program permanent. Public Law 115–79.

CBP is in the process of updating 8 CFR 235.13 to conform to the new law.

The data is collected on the applications and kiosks for the Trusted Traveler Programs. Applicants may apply to participate in these programs by using the Trusted Traveler Program Systems (TTP Systems) at https://ttp.cbp.dhs.gov/. Applicants may also apply for SENTRI and FAST using paper forms (CBP Form 8235 for SENTRI and CBP Form 823F for FAST) available at http://www.cbp.gov or at Trusted Traveler Enrollment Centers.

After arriving at the Federal Inspection Services area of the airport, participants in Global Entry can undergo a self-service inspection process using a Global Entry kiosk. During the self-service inspection, participants have their photograph and fingerprints taken, submit identifying information, and answer several questions about items they are bringing into the United States. When using the Global Entry kiosks, participants are required to declare all articles being brought into the United States pursuant to 19 CFR 148.11.

Current Actions: This submission is being made to extend the expiration date with no change to the information collected. There is an increase to the burden hours.

Type of Review: Extension (without change).

Affected Public: Individuals and Businesses.
