Supplementary Information:

Background

The Endangered Species Act of 1973, as amended (16 U.S.C. 1531 et seq.; ESA), prohibits certain activities with endangered and threatened species unless authorized by a Federal permit. The ESA and our implementing regulations in part 17 of title 50 of the Code of Federal Regulations (CFR) provide for the issuance of such permits and require that we invite public comment before issuing permits for activities involving endangered species.

A recovery permit issued by us under section 10(a)(1)(A) of the ESA authorizes the permittee to conduct activities with endangered species for scientific purposes that promote recovery or for enhancement of propagation or survival of the species. Our regulations implementing section 10(a)(1)(A) for these permits are found at 50 CFR 17.22 for endangered wildlife species, 50 CFR 17.32 for threatened wildlife species, 50 CFR 17.62 for threatened plant species, and 50 CFR 17.72 for threatened plant species.

INTERNATIONAL TRADE COMMISSION
[Investigation No. TA–204–013]

Large Residential Washers: Monitoring Developments in the Domestic Industry

ACTION: Notice.

SUMMARY: The Commission has instituted investigation No. TA–204–013, Large Residential Washers: Report on Monitoring of Developments in the Domestic Industry, for the purpose of preparing the report to the President and the Congress required by section 204(a)(2) of the Trade Act of 1974 on its monitoring of developments in the domestic industry following the President’s decision to impose a safeguard measure on imports of large residential washers and certain washer parts as described in Proclamation 9694 of January 23, 2018.

General information concerning the Commission may also be obtained by accessing its internet server (https://www.usitc.gov). The public record for this investigation may be viewed on the Commission’s electronic docket (EDIS) at https://edis.usitc.gov.

SUPPLEMENTARY INFORMATION:
Background.—On January 23, 2018, the President, pursuant to section 203 of the Trade Act of 1974 (19 U.S.C. 2253) (Trade Act), issued Proclamation 9694, imposing a safeguard measure on imports of certain large residential washers and parts thereof in the form of tariff-rate quotas. The proclamation was published in the Federal Register on January 25, 2018 (83 FR 3553). The measure took effect on February 7, 2018, for a period of three years and one day, or through February 7, 2021. The President imposed the measure following receipt of a report from the Commission in December 2017 under section 202 of the Trade Act (19 U.S.C. 2252) that contained an affirmative determination, remedy recommendations, and certain additional findings (see Large Residential Washers, investigation No. TA–201–076, USITC Publication 4745, December 2017).

Section 204(a)(1) of the Trade Act (19 U.S.C. 2254(a)(1)) requires the Commission to monitor developments with respect to the domestic industry, including the progress and specific efforts made by workers and firms in the domestic industry to make a positive adjustment to import competition, as long as any action under section 203 of the Trade Act remains in effect. Whenever the initial period of such an action exceeds 3 years, section 204(a)(2) requires the Commission to submit a report on the results of the monitoring to the President and the Congress no later than the mid-point of the initial period of the relief—in this case by August 7, 2019. Section 204(a)(3) requires the Commission to hold a hearing in the course of preparing each such report.

For further information concerning the conduct of this investigation, hearing procedures, and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 206, subparts A and F (19 CFR part 206).

 Participation in the investigation and service list.—Persons wishing to participate in the investigation as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission’s rules, not later than 21 days after publication of this notice in the Federal Register. The Secretary will prepare a service list containing the names and addresses of all persons, or their representatives, who are parties to this investigation upon the expiration of the period for filing entries of appearance.

Limited disclosure of confidential business information (CBI).—Pursuant to section 206.17 of the Commission’s rules, the Secretary will make CBI gathered in this investigation available to authorized applicants representing interested parties (as defined in 19 CFR 206.17(a)(3)(ii)) under an administrative protective order (APO) issued in the investigation, provided that the application is made not later than 21 days after the publication of this notice in the Federal Register. A separate service list will be maintained by the Secretary for those parties authorized to receive CBI under the APO.

The Commission may include CBI in the report it sends to the President and to the U.S. Trade Representative. Additionally, all information, including CBI submitted in this investigation may be disclosed to and used by (i) the Commission, its employees and Offices, and contract personnel for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel for cybersecurity purposes.

The Commission will not release information which the Commission considers to be confidential business information unless the party submitting the confidential business information had notice, at the time of submission, that such information would be released by the Commission, or such party subsequently consents to the release of the information. The Commission will not otherwise disclose any CBI in a manner that would reveal the operations of the firm supplying the information.

Public hearing.—As required by statute, the Commission has scheduled a hearing in connection with this investigation. The hearing will be held beginning at 9:30 a.m. on June 25, 2019, at the U.S. International Trade Commission Building, 500 E Street SW, Washington, DC. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before June 14, 2019. All persons desiring to appear at the hearing and make an oral presentation shall participate in a prehearing conference to be held on June 21, 2019 at the U.S.
