nonimmigrant aliens who may be inadmissible before they depart for the United States, thereby increasing security and reducing traveler delays upon arrival at U.S. ports of entry. EVUS aids DHS in facilitating legitimate travel while also enhancing public safety and national security.

Recent Changes

On November 27, 2017, the Secretary of State designated DPRK, as a State Sponsor of Terrorism, or SST. Countries determined by the Secretary of State “to have repeatedly provided support for acts of international terrorism” are considered to have been designated as “state sponsors of terrorism.”

To meet the requirements and intent of the law and in light of the designation of DPRK as a SST, DHS is strengthening the security of the United States through enhancements to the EVUS enrollment.

Under the Emergency Clearance request process DHS has recently added DPRK to the following question to EVUS “Have you traveled to, or been present in Iran, Iraq, Syria, Sudan, Libya, Somalia, Yemen, or the Democratic People’s Republic of Korea (North Korea) on or after March 1, 2011? If yes, provide the country, date(s) of travel, and reason for travel.”
