SUPPLEMENTARY INFORMATION:

Background

On September 7, 2021, we published a proposed rule (86 FR 49945) to designate critical habitat for the Miami tiger beetle under the Act. The proposed rule established a 60-day public comment period, ending November 8, 2021. During the comment period, we received a request for a public hearing. Therefore, we are announcing a public hearing and a 45-day extension of the September 7, 2021, proposed rule's comment period (see **DATES**, above) to allow the public an additional opportunity to provide comments on the proposed rule.

For a description of previous Federal actions concerning the Miami tiger beetle and information on the types of comments that would be helpful to us in promulgating this rulemaking action, please refer to the September 7, 2021, proposed rule (86 FR 49945).

Public Hearing

We are holding a public hearing to accept comments on the proposed rule on the date and at the time listed in **DATES**. We are holding the public hearing via the Zoom online video platform and via teleconference so that participants can attend remotely. For security purposes, registration is required. All participants must register in order to listen and view the hearing via Zoom, listen to the hearing by telephone, or provide oral public comments at the hearing by Zoom or telephone. For information on how to register, or if technical problems occur joining Zoom on the day of the hearing, visit <https://www.fws.gov/southeast/florida>. Registrants will receive the Zoom link and the telephone number for the public hearing. If applicable, interested members of the public not familiar with the Zoom platform should view the Zoom video tutorials (<https://support.zoom.us/hc/en-us/articles/206618765-Zoom-video-tutorials>) prior to the public hearing.

The public hearing will provide interested parties an opportunity to present verbal testimony (formal, oral comments) regarding the September 7, 2021, proposed rule to designate critical habitat for the Miami tiger beetle (86 FR 49945). The public hearing will not be an opportunity for dialogue with the Service, but rather a forum for accepting formal verbal testimony. In the event there is a large attendance, the time allotted for oral statements may be limited. Therefore, anyone wishing to make an oral statement at the public

hearing for the record is encouraged to provide a prepared written copy of their statement to us through the Federal eRulemaking Portal, or U.S. mail (see **ADDRESSES**, above). There are no limits on the length of written comments submitted to us. Anyone wishing to make an oral statement at the public hearing must register before the hearing (<https://www.fws.gov/southeast/florida>). The use of a virtual public hearing is consistent with our regulations at 50 CFR 424.16(c)(3).

Reasonable Accommodation

The Service is committed to providing access to the public hearing for all participants. Closed captioning will be available during the public hearing. Participants will also have access to live audio during the public hearing via their telephone or computer speakers. Persons with disabilities requiring reasonable accommodations to participate in the hearing should contact

the person listed under **FOR FURTHER INFORMATION CONTACT** at least 5 business days prior to the date of the hearing to help ensure availability. An accessible version of the Service's presentation will also be posted online at <https://www.fws.gov/southeast/florida> prior to the hearing (see **DATES**, above). See <https://www.fws.gov/southeast/florida> for more information about reasonable accommodation.

If your submission is made via hard copy that includes personal identifying information, you may request at the top of your document that we withhold this information from public review. However, we cannot guarantee that we will be able to do so. We will post all hardcopy submissions

on <https://www.regulations.gov>. Comments and materials we receive, as well as supporting documentation we used in preparing the proposed rule, will be available for public inspection on <https://www.regulations.gov>.
