

Migration Maze

Help the monarchs find their way to Puddles and their winter home in the forests of Michoacan, Mexico!

Did You Know?

Some monarchs will migrate as far as 3,000 miles one way.

Puddles the Blue Goose is the mascot of the National Wildlife Refuge System, a national network of lands and waters set aside for the benefit of wildlife and people. Learn more about national wildlife refuges at www.fws.gov/refuges/
