Trip Guidelines

- Schedule trips in advance using the scheduling form provided Below.
- The park ranger will assign trails and areas. Large groups will be divided to avoid crowding in any one area.
- A list of participants attending fieldtrip is required.
- Tours are self-guided.
- Santa Ana NWR visitors center is open from 8:00 a.m.- 4:00 p.m.
- There is a picnic area outside the visitor's center. Teachers are encouraged to have their students responsible for removal of trash from the visitor's center, picnic areas, and hiking trails.
- Santa Ana National Wildlife Refuge should be a quiet place to enjoy nature—Please minimize noise footprint, speak softly and silence Mobile devices to enjoy nature's natural sound and animals.
- If someone becomes injured or experiences a Medical Emergency, at least one adult should remain with the student while one adult immediately seeks assistance from staff/volunteers at the visitor center.
- Teacher, we ask your students not to place belongings or to touch any of our display animal exhibits. The exhibits are easily damaged and must be given exceptional care.
- The collection of animals, plants, or other natural materials is not permitted.
- Do not feed wildlife.
- Walk only on designated roads and trails.

Know your personal and physical limitations.

- Visit in the morning (Daylight- 12 pm) when wildlife is most active. In the summer it is too hot between 10 AM- 4 PM to have students Prone to hot Texas weather.
- It is hot and humid most of the year, be aware that heat exhaustion and stress can occur very rapidly.

It is important that students bring:

- Plenty of drinking water
- Snacks (Picnic areas are available)
- Insect repellent
- Sunscreen
- Sunglasses
- Cap
