

Prime Hook

National Wildlife Refuge Waterfowl Hunting Regulations 2025–2026

Welcome

Established in 1963, Prime Hook is an important stopover site for migratory birds as they travel the Atlantic Flyway and provides protected breeding habitat for Federally and State-listed threatened and endangered species, as well as many neo-tropical migrating bird species. Prime Hook's habitat features include salt marsh, freshwater marsh, ponds, wooded swamps, upland grasslands and forest.

Accessibility Information

Equal opportunity to participate in and benefit from programs and activities of the U.S. Fish and Wildlife Service is available to all individuals regardless of physical or mental ability. For more information please contact the U.S. Department of the Interior, Office of Equal Opportunity, <https://www.doi.gov/pmb/eeo/public-civil-rights>.

Hunters with a disability must obtain a certification card from Delaware Department of Natural Resources and Environmental Control (DNREC). For information on obtaining this card, call the DNREC Division of Fish and Wildlife at 302-739-9912.

Wheelchair accessible stands are available for nonambulatory hunters that possess an Interagency Access Pass. **See the Island Farm hunt brochure for more information.**

Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32.)

Vehicles

Licensed motor vehicles are permitted only on public use roads and trails as shown on the map. ATVs and UTVs are prohibited. Hunters must park in designated parking areas, as identified on the map, to access the Refuge for hunting. All State regulations and laws are applicable.

Scouting

Waterfowl scouting is allowed the Saturday and Sunday prior to the start of each season segment when there is not an open hunt occurring and every Sunday throughout the season. See table for season dates.

Boats

All hunters are required to operate their craft and possess all safety equipment in accordance with Delaware State and U.S. Coast Guard regulations.

- The maximum horsepower allowed for boat motors is 30 HP. All open refuge waters are slow, no wake zones.
- Designated launching sites must be used to launch boats.
- The use of air-thrust or inboard water-thrust boats on refuge waters is prohibited
- Boat access to Slaughter and Prime Hook Creeks is prohibited.
- Access to the lottery waterfowl hunting area is by boat only and hunters must use designated launching sites to launch their boats.
- Mud motors are recommended due to low water conditions.

Hunting Regulations

Hunting regulations are designed to provide safe recreational opportunities through wise use of renewable wildlife resources. Hunting and fishing are permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations.

Hunting will be in accordance with applicable State of Delaware regulations subject to the conditions stated below.

Permits

Hunters are required to possess a valid Delaware hunting license and all required stamps, valid government-issued photo identification, **this signed brochure**, and a valid lottery application (yellow copy) issued by the refuge on their person at all times during refuge hunt and scout days.
