Safety

Please dress appropriately for the season and wear layers. Check the weather forecast before your outing, as daily weather conditions can bring dramatic change. Warm weather also brings out the mosquitoes and ticks, so bring insect repellent. Prairies, by nature, offer little shade, so sunscreen is always a good idea.

Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32.)

Vehicles

Licensed motor vehicles are permitted only on public use roads and trails as shown on the map. ATVs and UTVs are prohibited.

Boats

Non-motorized watercraft are permitted.

Hunting and Fishing Regulations

Hunting and fishing are permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations.

- If hunting is an approved use on the refuge that activity may have additional requirements than state regulations based on location, timing, species, methods of take, etc... See refuge specific website.
- If small game hunting is an approved use on the refuge then hunters using shotguns, including turkey hunters, are required to use and possess only non-toxic shot.
- During the small game and migratory bird seasons, hunting dogs must be under the immediate control of the hunter.
- If fishing is an approved use on the refuge that activity may have additional requirements than state regulations based on location, timing, species, methods of take, etc... See refuge specific regulations below.
- Motorized Watercraft use is prohibited.
- We prohibit all types of motorized vehicles on frozen water bodies.

Access

Access to the refuge is open from 1/2 hour before sunrise until 1/2 hour after sunset unless otherwise posted or stated in hunting regulations.

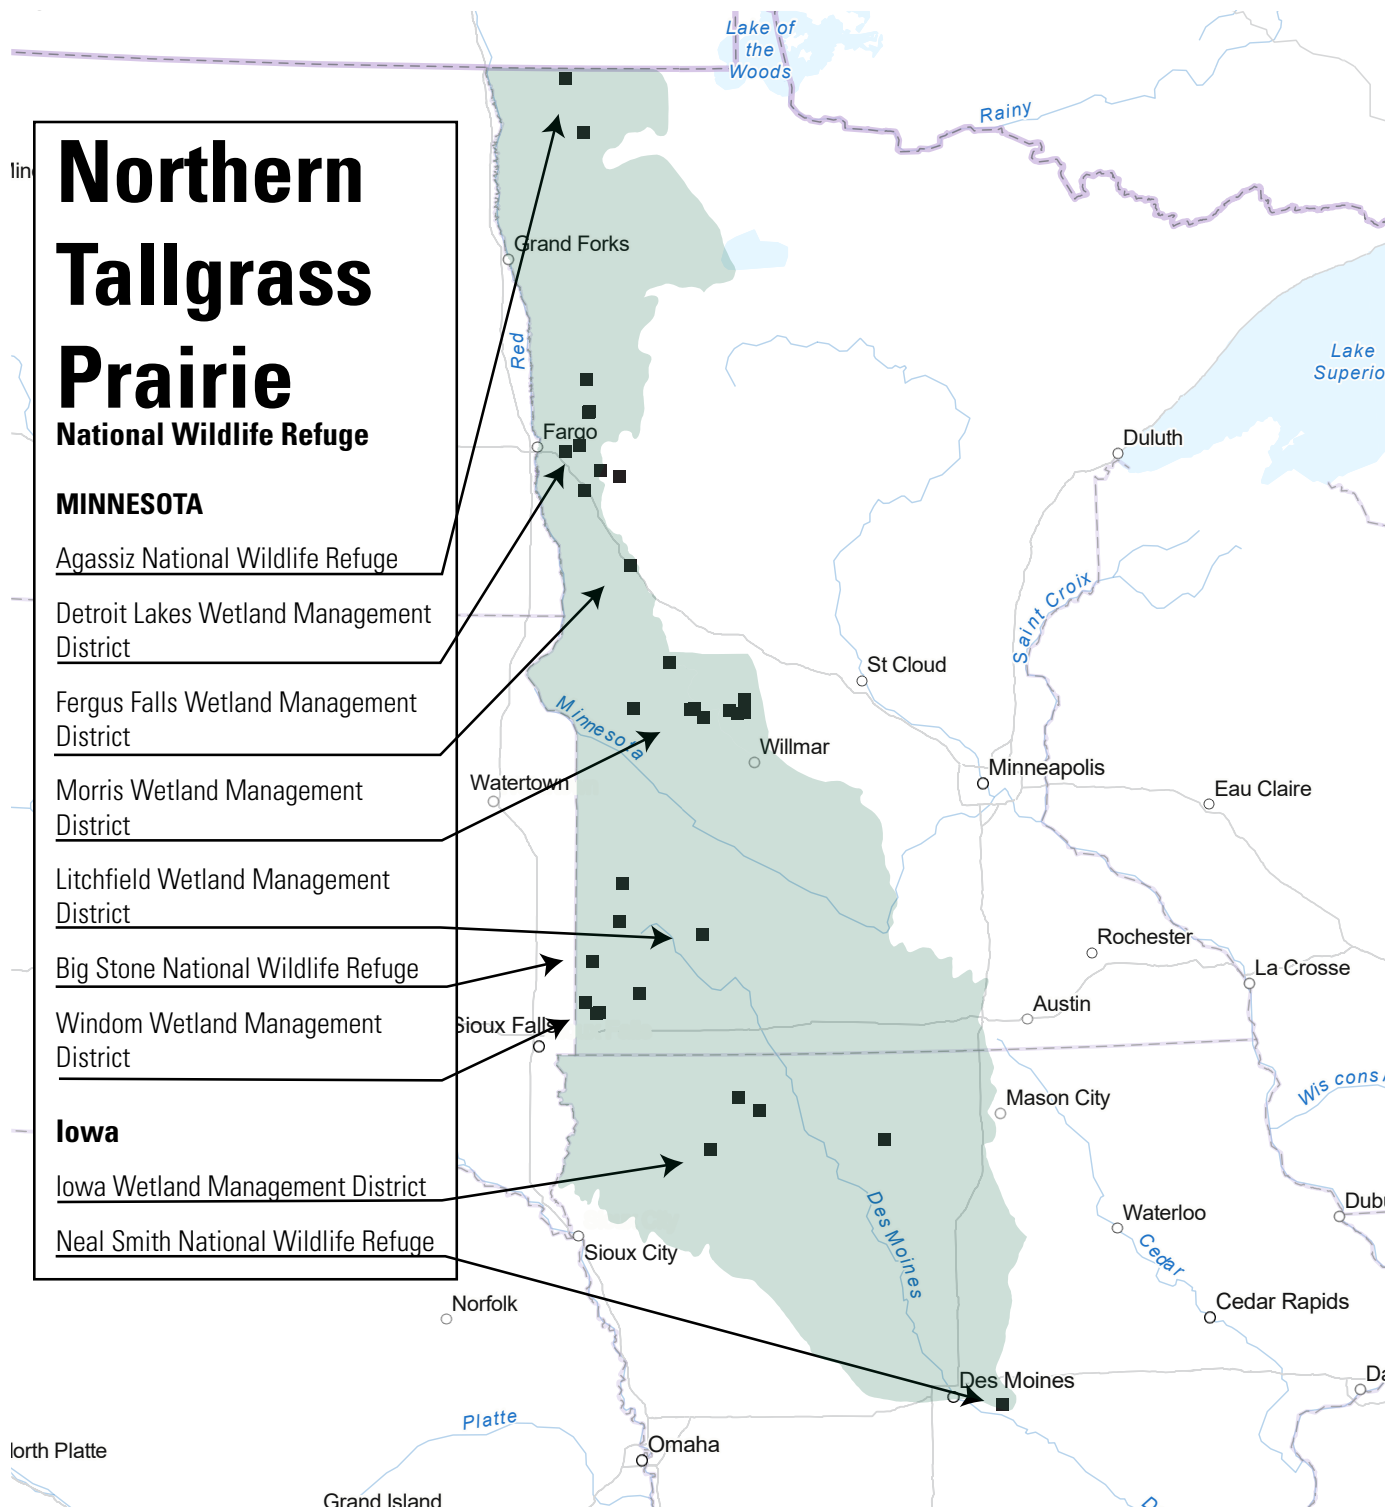

Hunters must park in designated parking areas, *see refuge specific map online or state DNR maps*, to access the Refuge for hunting. Access to the Refuge from private property is prohibited.

Trapping

Trapping is prohibited unless authorized in a Special Use Permit.

This is a unit of the National Wildlife Refuge System, a network of lands and waters managed for the benefit of wildlife and people.
