

Amendment 1 to 518 FW 1, WSFR - Authorities and Responsibilities

Series: Federal Financial Assistance
Part 518: WSFR – Management
Chapter 1: WSFR - Authorities and Responsibilities
Amendment Number: 1
Purpose: This amendment updates 518 FW 1, WSFR - Authorities and Responsibilities to include the Great Lakes Restoration program under the list of grant programs that WSFR administers. The omission of the program was an oversight we are correcting.

Insert the following row into Table 1.1 in the section on Discretionary Grant Programs between Catalog of Federal Domestic Assistance (CFDA) Numbers 15.650 and 15.664:

CFDA	Program/Subprogram	Authority	General Approach for Recommending Applications for Award
15.662	Coastal Program – Great Lakes Restoration Initiative (GLRI)	1. The Department of the Interior, Environment, and Related Agencies Appropriations Act (111 P.L. 88). 2. Consolidated Appropriations Act of 2012 (112 P.L. 74).	GLRI Web site: https://www.glri.us/ There is no single law that specifically authorizes the GLRI as a restoration initiative for the Great Lakes. The application process and funding opportunities are posted on http://www.grants.gov
