

FIRST SUNDAY AT THE REFUGE

PLANTING A REFUGE FOR WILDLIFE: THE IMPORTANCE OF NATIVE PLANTS IN THE HOME LANDSCAPE

June 2, 2013
at 2:00 p.m.

Join Donna Legare and Jody Walthall, Native Nurseries of Tallahassee for an informative presentation to help you improve your landscape and benefit wildlife.

Spicebush Swallowtail on a Sassafras Plant

Presentation will be given in the Environmental Education Building adjacent to the Visitor Center
1255 Lighthouse Road
St. Marks National Wildlife Refuge
St. Marks, FL

*Seating is limited so please plan to arrive early.
Join us for more discussion and light refreshments afterwards.*
