## National Wildlife Refuge Hunting Regulations

### 2013-2014

#### General Provisions

St. Vincent NWR is one of over 500 national wildlife refuges. The primary objective of the refuge is to provide habitat for conservation and protection of all species of wildlife. The harvest of surplus animals is one tool used to maintain wildlife populations at a level compatible with habitat.

The regulations below supplement the general regulations which govern hunting on wildlife refuges as set forth in Title 50, Code of Federal Regulations, Part 32. Hunting will be in accordance with applicable State regulations.

#### Specific Hunting Regulations

Public hunting of white-tailed deer, sambar deer, feral hogs, and raccoons is permitted on 11,400 acres of St. Vincent Island as shown on the map on the reverse side of this brochure.

Access onto St. Vincent Island is restricted to the Indian Pass and West Pass campsites. Entry during the sambar deer hunt is restricted to the eastern end of the island at the West Pass campsite.

Hunters may not leave hunt gear nor stage equipment nor access island before check-in time which is 8 am Eastern Time (ET) on the Wednesday before the hunt begins. **Strictly enforced.** Hunters arriving after Wednesday must sign in at the check station, if the check station is unstaffed they may hunt. Hunters must complete check-in later that same day of arrival with staff. The check stations will be staffed beginning at 9 am ET each day of the hunt.

Hunters must check out with refuge staff before leaving the island. Campers must remove all personal equipment from the island by 11 am on Sunday after each hunt.

The successful hunter must check out game at designated check stations. No live game may be checked out.

Hunters must field dress game in the woods prior to collection during game pick up runs. Game pick up will only occur on open roads south of Big Bayou.

No entry allowed in closed areas on Refuge.

The following may ride during the game pick up runs: successful hunter of game retrieved. If a successful minor (18 years or younger), one adult may accompany. If a successful adult, accompanying minor hunter (18 years or younger) may ride.

Primitive weapon hunts (sambar and white-tailed deer): All hunters, when outside campsite area, must wear a minimum of 500 square inches of solid, unbroken fluorescent orange-colored material above the waistline, including while in stand.

Archery hunters are encouraged to wear a fluorescent orange outer garment while hunting on the ground or walking to and from stands.

All hunters, regardless of age must possess a refuge permit. Youth hunters (younger than 16 years) must be supervised by a permitted adult at least 21 years of age, and must remain in sight and normal voice contact of the adult. Each adult may supervise only one youth.

Non-quota white-tailed deer hunters, regardless of age, must possess a refuge hunt permit.

**Hunters who have a state mobility-impaired person permit number, and require help during the hunts, must**

**contact the St. Marks NWR office at 850/925 6121 to request a Hunter Assistance Form.**

Stand hours will be enforced from 1/2 hour before sunrise to 9 am ET for all hunts. Courtesy evening stand hours will be observed from two hours before sunset until sunset.

A hunter safety orientation meeting will be held Wednesday evening before each hunt at 5 pm ET at each check station.

Hunters may set up tree stands only after check-in and stands must be removed from the island at the end of each hunt.

Camping and fires are restricted to the two designated camping areas. Campsites are unimproved.

Only non-potable water will be available at the campsites.

Hunters must observe quiet time in the campground(s) between 9 pm – 5 am ET. No loud or boisterous activity permitted.

Weapons may be discharged at the designated discharge area(s) between 5 am to 9 pm ET.

#### Prohibited Activities

- Domestic animals are not permitted on the refuge.
- **The use or possession of alcoholic beverages while on the island during refuge hunts is prohibited.**
- No motorized equipment, generators or vehicles (except bicycles) are allowed.
- Littering and cutting of live or standing dead trees are prohibited. Only dead and downed wood may be cut.

## U.S. Fish & Wildlife Service

- It is unlawful to insert a nail, spike or other metal object into any tree or to hunt from any tree in which a nail, spike, or other metal object has been inserted.
- Only still and stalk hunting permitted. Intentional driving of game animals (game drives) is prohibited.
- Use of flagging tape and reflective materials prohibited. Painting or defacing plants or trees prohibited. Target practice is prohibited.
- **Discharging of weapons (including cap firing) in campgrounds is prohibited.**
