Subject: [UBARM] next UBARM meeting -- Dec 6, 1pm: please send agenda items
Date: Monday, November 14, 2011 5:08:34 PM

Hi folks,

The next UBARM meeting will be:

Tuesday, December 6th

1:00 pm

in Vernal in the county building.

Please let me know what agenda items you would like to discuss -- I know there's plenty to talk about! At minimum we need to make a plan for the upcoming year, discuss Sage-Grouse Initiative, and the figure out what role the LWG may have in the upcoming BLM changes to RMPs for sage-grouse.

Hope to see you there!
