Subject: [UBARM] sage-grouse meeting this Tuesday Dec 6, 1:00 pm
Date: Sunday, December 04, 2011 9:05:06 PM

Hi folks,

Just a reminder that there will be a sage-grouse (UBARM) meeting this Tuesday in Vernal.

Tuesday, Dec 6
1:00 pm
North Conference room
State and Uintah County Building,
152 East 100 North, in Vernal

Agenda:

- habitat pocketbook (I will bring copies for everyone -- please let me know if you would like an large # of extras)
- summary of private lands conservation opportunities coming soon...
- NRCS Sage-Grouse Initiative -- new biologists, progress reporting (someone please forward this to the new SGI bio in Roosevelt)
- UPCD projects proposed for next year
- UBARM plans for the next year
- BLM guidance on sage-grouse (upcoming Instruction Memorandum and land-use plan revisions)
- research updates (students: sorry this is during finals week. If you can send me a short summary to read, please do)
- project updates (SGI from last year? predator work? UPCD project results?)
- Transmission lines or other threats updates

See you there!
