## National Wildlife Refuge Island Farms Disabled Hunt Area Regulations 2023–2024

### Welcome

Established in 1963, Prime Hook is an important stopover site for migratory birds as they travel the Atlantic Flyway and provides protected breeding habitat for federally and State- listed threatened and endangered species, as well as many neo-tropical migrating bird species. Prime Hook’s habitat features include salt marsh, freshwater marsh, ponds, wooded swamps, upland grasslands and forest. This mosaic of these diverse cover types provide habitat for 308 species of birds, 51 species of fish, 45 species of reptiles and amphibians, 37 species of mammals, and an array of rare insect and plant species.

### Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32.) We prohibit the use of rimfire or centerfire rifles and all handguns including muzzleloading pistols. The use or possession of buckshot while hunting is prohibited.

### Vehicles

Licensed motor vehicles are permitted only on public use roads and trails as shown on the map. ATVs and UTVs are prohibited. Parking is permitted in designated parking area. All State regulations and laws are applicable.

### Boats

Boats, canoes, kayaks, etc. are prohibited in Island Farms.

### Accessibility Information

Equal opportunity to participate in and benefit from programs and activities of the U.S. Fish and Wildlife Service is available to all individuals regardless of physical or mental ability. For more information please contact the U.S. Department of the Interior, Office of Equal Opportunity, <https://www.doi.gov/pmb/eeo/public-civil-rights>.

Hunters with a disability must obtain a certification card from Delaware Department of Natural Resources and Environmental Control (DNREC). For information on obtaining this card, call the DNREC Division of Fish and Wildlife at 302-739-9912.

### Assistants

Disabled Waterfowl hunters may have two assistants (3 people per/blind). Waterfowl assistants may participate in the hunt. The permitted disabled hunter must be present and all hunters in the group must hunt from the same blind. Disabled Deer hunters may have one non-hunting assistant in the blind with them.

### Hunting Regulations

Hunting regulations are designed to provide safe recreational opportunities through wise use of renewable wildlife resources. Hunting is permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations.

### Permits

Permits for the Island Farms Unit are only open to disabled hunters and their assistants. The disabled hunter must be present and must possess a DNREC disabled hunter certification card or a Federal Lands Access pass. Blinds are issued via a hunter facilitated drawing at the hunt check station 2 hours before legal shooting time. There is no permit fee.

### Hunts offered

**Deer:** Permits will be available for the October muzzleloader hunt, November Shotgun hunt, and the state designated non-ambulatory hunt.

**Waterfowl:** Permits will be available for the September Teal and Resident Canada Goose season, November regular season, and December/January regular duck and goose seasons.

**Open to Hunting** – Deer, ducks, geese, coots. Mute swans may be taken during any open waterfowl hunt. Fox may be taken incidentally while deer hunting.

**Closed to Hunting** – All other species of wildlife not listed above are protected. Protected species include, but are not limited to, snakes, crow, beaver, otter, and muskrat.
