Dear Ms. Rulon,

The electronic application you submitted was not signed. Also, FYI there was no Fed-Ex label included (if not received I will mail regular mail to your office in Houston). Please go to your account and remedy the situation.

In accordance with 50 CFR 13.11(e), please provide the information and documentation indicated. Any response must be in written form. If we do not receive the information requested above within **45 days (July 3, 2020)** from the date of this e-mail, your application will be abandoned and administratively closed. Once the file is closed, you would need to submit a new application, supplemental documentation and all required fees.

Also, in responding to any correspondence from Branch of Permits, *please put your Permit No. in the subject line or somewhere on the documentation you send via mail.*

Kind regards,
