Folks,

Many of us in R6 are teleworking due to weather here but I'd like to convene the group in light of some current activity re: the federal planning process, follow up on which I'll send shortly. Here's a rough agenda:

- Federal planning status, products and tasking (Matt)
- SGI coordination update (Matt, Pat/Lief/Jesse, Angela)
- Status review update, as necessary (Kate)
- Regional update (all)
- Communications update (Theo, Anna)
- Upcoming meetings (Matt)
