Hey Dawn-

Looks GREAT! This is very much what I had in mind; I made a few minor tweaks (I put date first in the timeline and did some minor formatting for one of the other lists).

When it comes time for you to present, I can run the slides for you or turn over the webinar to you and you can present off of your computer. I'm going to play Vanna for Mike and would be quite happy to do the same for you, but whatever you'd prefer works for me :)

Thanks so much, Dawn!

I uploaded a few fire slides to the webinar ppt. on SharePoint - is this what you had in mind?

Hey Dawn-

I'm going to talk to Mike tomorrow morning about the upcoming state webinar we have on Tuesday. One of the potential topics (we're still working on the agenda) is an update on the Fire Team work.

I'll know more specifics tomorrow, but we may be asking for your assistance on this if it ends up on the agenda.

Thanks,

K
