I'd prefer to use the webinar approach - I have it on my calendar for tomorrow. ♦ Thanks

Hi Gen, Kathleen, Alex, and Kevin:

I *think* none of you were on the webinar today - right? - and I gather you're planning on attending the webinar scheduled for tomorrow 2 PST/3 MST. ♦ I thought I'd let you know that today's webinar was recorded - it was a little over an hour. ♦ It wasn't academy award material, but I think Lief and I covered the process pretty thoroughly, so I thought I'd offer this option: ♦ would you like to watch the webinar, and then plan to all get on the phone at the appointed time Wednesday afternoon to go over any questions you might have? ♦ We are totally on to do the webinar again - no problem. ♦ It just occurred to me that it might be more convenient for you-all to watch the webinar when you like, and just take the time you need on the phone for specific questions. Let me know what you prefer.

Thanks!
Holly
