**Subject:** GRSG 2015 Conifer encroachment is available for review  
**Date:** Wednesday, February 25, 2015 10:52:32 AM

---

Hi All,

Conifer encroachment is ready for review (thanks Jeff Everett!). Please have review by March 4.

[GRSG2015 Conifers SpL Rv1](#)

Note from Jeff:

There are big gaps in this draft – we are waiting on significant pieces from the CED and USGS, and I am reluctant to write the elevator speech/executive summary part until the very end when we have that. I think those pieces will have a ripple effect through this entire chapter.
