Great - It's 10:30-12:30. They're leaving it up to Tim who attends for the state, but guessing that FWP probably won't be there.

Talked to John. They're having in Billings because Tim will be there for other reasons. So we talked about trying to steer the time such that it starts 10-10:30ish, allowing us to head over that morning and head back that night. It would be all day though. Would that work?

Hi Jodi and Jeff,

We will be having a meeting with Tim Baker on March 4, 2015 in our office in Billings and we were hoping that one or both of you might be able to join us so that we can provide you with an update on the contents and status of our Draft Proposed Plans. Any chance we can make that happen? Thanks - John
