Hey folks -

Thanks for the feedback on the proposed drop-in language from BLM. I took the comments provided on individual sections, and added them to my comments to create the attached document. Please take a look at the comments provided and let me know if you are o.k with moving this forward for discussion with BLM.

Dawn - I added some text to the a) and b) under prescribed fire. I don't know if it helps and please feel free to correct.

of course, this was desired about a month ago so the sooner you can review and give me feedback the better. Much appreciated!.
