Can do, thanks Quincy. We are still planning on visiting Henefer. I'm still giving people here a day or two to respond to me, but right now it is looking closer to happening the morning of March 16. Will keep you posted.

I've attached it, but please do not distribute this to any outside the meeting list or use beyond this meeting. If the full proposed plan is needed in the future, we will provide it in its entirety later.

Hi Quincy,

Can I get an electronic copy of the power point presentation that you gave to Larry today?
Or is the paper copy the best we can do for the time being.

Thanks!
