Hi Amy,

I will have a revised draft of climate change done by March 13, latest.

HI All,

I have Drought, Urbanization, Fences, Fire, and Climate Change down as author working on Species Lead comments.

I know some of you may be on hold with some chapters as you work on getting other things out.

But I need to give HQ a heads up on when we will be sending things their way. Please shoot me an email giving an estimate on when you think Species Leads revisions will be complete.

Thanks!
