I agree - I'm available all morning. How about 9:00? For the record, I'm not at home...

On Thu, Feb 26, 2015 at 8:36 AM, Pat Deibert <pat_deibert@fws.gov> wrote:

I think a call would be good. I too am at home and fighting a slow internet connection but believe my only conflict is from 10 -11.

I am home with my kids who have a snow day so am flexible this morning if you want to have a quick pre-call. Otherwise, the basic goal is to hear out BLM on their approach to fluids allocation in MT, cross-walk same with the NPT guidance and what we thought we agreed to, discuss any related buffer issues (including the questions you all raised earlier) and, ideally, tie this off. Let me know.

Thanks.

Matt
