Subject: GRSG Drought chapter is available for review
Date: Thursday, February 26, 2015 11:35:08 AM

The Drought chapter is available for project leader/HQ/ARD+ review, link below. Angela Burgess is the author. If you have particular interest in reviewing this chapter please have comments back to me by March 5.

Again, at this stage we are asking review for logic and clarity of argument. We are asking for your questions or comments to be included in a memo (link below) not track changes.

Note: Urbanization, Fire, and Fences chapters will also be coming up for review within the next several business days.
