Hi Pat - yes, sorry I haven't had a chance to get back to you sooner. But yes, I think you captured my comments correctly; I don't know that they needed to be in the level of detail that they are but I'm OK with keeping them as is with the revisions you added to the drop-in language.

Hi Dawn - Have you had a chance to look at the prescribed fire language I sent yesterday? I need to send the final recommendation to Noreen tomorrow and want to make sure I caught it correctly.

Thanks -
