Subject: Fire and Fuels Management Report

Attached, please find our final report "Fire and Fuels Management Contributions to Sage-grouse". The report has been distributed to the leadership of DOI and DOA. Noreen Walsh told me this afternoon that the report and recommendations will be used as a key part of the implementation of the recent Secretarial Order. **Please distribute the report as you appropriate.** We will not make many hard copies. Rather it will be available to be downloaded from the WAFWA and USFWS GRSG websites.

Cheers!
