Ed,

The data you requested for Wild Horse and Burro Territories is available here in CloudVault: [View it!](#) I am providing you data in Esri file geodatabase format (ver. 10.2.2) from 5 national forests. Please note that projection and attributes vary between the datasets. Please let me know if you have any questions.

*The Forest Service uses the most current and complete data available. GIS data and product accuracy may vary. They may be: developed from sources of differing accuracy, accurate only a certain scales, based on modeling or interpretation, incomplete while being created or revised, etc. Using GIS products for purposes other than those for which they were created, may yield inaccurate or misleading results. The Forest Service reserves the right to correct, update, modify, or replace, GIS products without notification.*
