Subject: GRSG 2015 Fire chapter is ready for review

The Fire chapter is available for review, link below. Genevieve Skora is the author. If you have particular interest in reviewing this chapter please have comments back to me no later than March 9.

[GRSG2015_CommentMemo_Template](#)

Again, at this stage we are asking review for logic and clarity of argument. We are asking for your questions or comments to be included in a memo not track changes. We will have others doing technical edits at a later time.

We do not expect all project leaders to review every chapter. However, I will be sending out a similar FYI for each chapter as it becomes available.
