Title:	Fire History in SG Range
Requester:	Skora, Genevieve
Your Office:	Reno, NV
Your Email:	genevieve_skora@fws.gov
Your Phone Number:	775-861-6395
Date Of Request:	1/20/2015
Deliverable Type:	Map(s)
Description of Need:	History of fires within the GrSG range from ? - present. Reliable fire data is available since 1983? 32 years. Could we look at the past 20 or 25 depending on the quality of the data.
What are your goals/purpose?:	<div><div><div><div><div>Would like to know the history of wildfire across the range of SG. Areas on concentration. Tabular data of year, fires burnt, and number of fires by MZ, if possible. If not, by State.</div><div>Does the fire data split out wildfires vs prescribed fires?</div><div>...</div><div>Would like to know the history of wildfire across the range of SG. Areas on concentration. Tabular data of year, fires burnt, and number of fires by MZ, if possible. If not, by State.</div><div>Does the fire data split out wildfires vs prescribed fires?</div><div>Any data on human starts vs natural causes?</div></div></div><div>Edited</div></div></div>
Who is your audience?:	Readers of species status assessment
Desired scale:	letter or legal
Due Date:	2/20/2015
Link to Project files within ScienceBase:	
Does all of the data exist for this project?:	Yes
Collaborating Organizations:	
Who is assigned to this project:	Jim Lindstrom - R6 <div>Edited</div>
Requester's Region:	R8
Deliverables:	Map(s); Data
Project Request Approved:	Yes <div>Edited</div>
Review Complete?:
